United Way drive gains momentum

From only 36 per cent or \$152,339 at last week's United Way report luncheon, the campaign surged past 80 per cent late last week.

It was disclosed late in the week that the Labor-Management Torch Club of Granite City Steel has pledged \$125,000 toward the United Way

drive. Other contributions also have been received.

The goal set for the October 1974 campaign is \$425,000. The funds will be used to partly finance the operating costs of member agencies during the 1975 calendar year.

The 18 agencies in the Tri-Cities Area United Way are the

Boy Scouts and Girl Scouts, Salvation Army, Red Cross, YMCA, Protestant Welfare, Catholic Charities, Arthritis Foundation, Coordinated Youth Services, Madison Recreation Program, Illinois Children's Home and Aid Society, Alcoholic Rehabilitation, Family Service Agency, Fraternal Society of Retirees, Members, Tri-City Association for Retarded, Health Services Fund, Urban League and Visiting Nurse Association.

Informal talks making up the \$425,000 campaign goal have been set for eight divisions.

General chairman of the drive

is George Pulianas, Granite City Steel vice president-administration.

Next report luncheon is set for noon Wednesday at the YMCA.

At the Oct. 23 report session, total announced was \$125,339. Business Division, \$22,175 or 80 per cent; Construction, \$7,946 or 76 per cent; Civic, \$16,189 or 62 per cent; Madison-Venice, \$4,859 or 43 per cent; Commercial, \$8,222 or 42 per cent; Mail-Phone, \$5,376 or 37 per cent; Professional, \$7,091 or 36 per cent; and Industrial, \$79,080 or 24 per cent; and combined federal campaign, \$2,000.

Bid on Parkview Estates drainage rejected by board

The Nameoki Township Town Board of Auditors Saturday morning rejected the only bid it received on construction of a surface swale-type drainage system for the Parkview Estates area.

The bid, opened publicly Saturday morning, was from C. D. Peters Construction Co. of Granite City for \$35,675, nearly 140 per cent over the engineers' estimate of \$40,000 for the work.

The planned drainage system would drain from the intersection of Snowbird and Stratford lanes east along the road to the Alton & Southern Railroad tracks.

Culverts are to be enlarged by the railroad to allow the water to run east under the tracks and through what proponents of the plan say is a natural watershed through farm land.

Owners of the farm land contend the township would be illegally flooding their farm land and have obtained a court injunction to halt the enlarging of the culverts under the railroad tracks, pending a hearing on a permanent injunction.

The proposed drainage system, designed by the Sheppard, Morgan & Schwaab consulting and engineering firm of Granite City, also includes an alternate for a north-south surface swale to drain undeveloped land which is subject to flooding. The owner of that land already has agreed to

participate in funding the north-south line.

The town auditors authorized Town Clerk Douglas Tector to advertise for new bids and Township Supervisor Louis Weissell said he would talk to the engineers and Carl Peters of the C. D. Peters firm and attempt to learn why the bid was so far above the estimate of the engineers.

The town board also was told a drainage line for Harrison Avenue is about two-thirds complete, but that Nameoki Township Highway Supervisor Albert Bell needs to lower one pipe under the roadway to assure proper drainage.

Bell agreed to cooperate, despite being informed that workers already have cut the township's pipe in place and the concrete will have to be broken and replaced if the line is to be lowered.

Auditor Norman Hessler reported attempts to contact and owners of properties in the Doherty Slough area have been difficult, as many landowners do not live there.

The township has agreed to try and improve drainage from a portion of the slough area to a new state-owned drainage line, if permission can be obtained from the owners.

Township Auditor Nick D. Vassileff and Weissell agreed to assist Hessler in locating the landowners.

Cyclist killed

Jerry D. Miller, 38, of 2968 Oregon Ave., was injured fatally at 9:30 p.m. Thursday when the motorcycle he was riding crashed into the rear of an auto on Interstate 55, one-half mile north of Interstate 270.

Mr. Miller was taken to St. Elizabeth Hospital here and transferred to Barnes Hospital, St. Louis, where he died at 2 a.m.

State police said the accident occurred when a northbound car driven by Elizabeth S. Sanchez, 19, of Gardena, Calif. made a left turn into the southbound lanes of the highway and was hit from the rear by Mr. Miller's southbound motorcycle.

Mr. Miller, a lifelong resident of Granite City, had been employed for 19 years at the Laclede Steel Co. plant in Madison where he was a supervisor.

Survivors include his wife, Mrs. Charlotte Miller; two sons, Rudy Allen and Jeffrey Dale Miller, both of Granite City; two sisters, Mrs. Elsie Elbertson, Granite City and Mrs. Pauline Jones, Vero Beach, Fla.

Two brothers, Billie Joe Miller, Granite City and Clayton Miller of Underwood, Minn., and his parents, Mr. and

Mrs. Warren Miller, Pomona, Ill.

Funeral services were held today. Details are given in the obituary column.

Crash victim

A FUNNY THING HAPPENED on the way to the Forum is the topic of the 1974 North High School fall festival play at 8 p.m. Wednesday and Thursday. Each performance will be followed by queen coronation ceremonies. In the photo, left to right, student actors Joy Patrick and Gary Bushy show amazement that Terry Bax has managed to play Cupid for Sharon Koesterer and Jim Mathis.

Mill's use of lake opposed, defended

By GARY SCHNEIDER
Press-Record Staff Writer
Objections to the limitations of a proposed permit which would allow Granite City Steel to continue to use Horseshoe Lake to discharge water were voiced by Donald F. Cairns, Ph.D., vice-president of Granite City Steel, during an Environmental Protection Agency public hearing on the

proposed permit Friday at Southern Illinois University at Edwardsville.

Cairns told the state and federal EPA officials conducting the hearing, "There are several errors in application of standards, guidelines and rules and regulations. There are errors in characterizing the manufacturing processes of the company. There are also errors in computation of a number of the effluent limitations in the draft report."

The steel official gave hearing officers a detailed written explanation of the company's objections which was available for public inspection at the hearing.

Cairns and Harlie M. Love, manager of environmental technology for the steel company, contended the EPA was considering the lake as a self-supporting lake with the steel company and natural drainage providing the only inputs of water.

"Horseshoe Lake is . . . both physically and technically a part of the Mississippi River, just as a hand or a finger is a part of the body," Love told the hearing.

Love explained that much of the 85.5 million gallons of water the company uses each day is taken directly from the Mississippi River and is returned to the Mississippi River through Horseshoe Lake and its drainage route, the Cahokia Canal.

He added that other sources of water to the lake include Mitchell Ditch, Long Lake, Doherty Slough, Elm Slough and the Nameoki Ditch.

Sewage treatment effluent from the Pontoon Beach Quiet Valley Lagoon and the Glen Carbon, Maryville and Collins-

ville sewage treatment plants all ultimately reach the lake during periods of diversion from Cahokia Canal, he contended.

"Prior to 1965 when Granite City Steel constructed its wastewater treatment facility, Horseshoe Lake existed as a mosquito and snake infested swamp and mud flats. In fact,

this area has been dry in past years prior to 1965.

A geological accident, its useful purpose was as a (U.S. Army) Corps of Engineers flood water retention basin," Love continued.

He and Cairns contended that without Granite City Steel's influence, the lake would likely

(Continued on Page 14)

Fourth Venice voting setback

For the fourth consecutive time, an election proposal to increase the educational fund tax rate limit has gone down to defeat in Venice Community Unit School District Three.

Voters on Friday rejected by a 68-vote margin a proposal to increase the rate ceiling by 50 cents, from \$2.05 to \$2.55 per \$100 assessed valuation.

"Yes" votes totaled 187 and "No" votes numbered 255. A simple affirmative majority would have been necessary to approve the plan.

At the polling place at the

park recreation center for school district voters who live in the City of Venice, the tally was 222 against and 160 in favor with 11 spoiled ballots.

Among unincorporated area residents voting at the Eagle Park Improvement Association building, the count was 33 against and 27 in favor with 10 spoiled ballots.

The school system has gone far into debt to meet operating costs and has no obvious remedy, now that a higher tax rate again has been defeated.

There had been almost no public criticism by voters in recent weeks, in contrast to previous elections in which a number spoke out against school policies.

Earlier proposals had involved 80-cent or \$1.20 revisions of the rate limit.

A fifth try at a referendum may be considered, but no timetable has been indicated.

A special meeting of the Board of Education has been scheduled for 8 p.m. Monday, Nov. 4, to canvass the votes.

Hearing on new sewers

A public hearing will be held at 7:30 p.m. Tuesday at the Granite City High School North cafeteria on possible environmental effects of the proposed Four Township Sewer program.

The hearing is being conducted by the Madison County Four Township Sewer Committee, which is comprised of the supervisors of the four townships involved, Chouteau, Nameoki, Venice and Granite City.

Chouteau Township Supervisor Walter "Dick" Sparks has called the meeting. The other supervisors involved are Nameoki Township Supervisor Louis Weissell and Venice Township Supervisor Christ Pashoff.

Granite City Township has allowed its name to be used in conjunction with the project, but only since Granite City's sewage treatment and secondary sewage treatment plants will be used to treat the sewage, according to Granite City

Township Supervisor Nelson Hagauer.

Granite City Township boundaries are coextensive with those of the city. The city already has sanitary sewer service.

The "environmental assessment hearing" set for Tuesday is required by the federal Environmental Protection Agency before recently approved grant money for collector and interceptor sewers can be released.

Citizens will be given an opportunity to testify on possible environmental effects of the new sewers, either favorable or adverse. Testimony will be transcribed and a copy of statements made will be presented to the EPA for study.

Among those present will be Ed Jeneau, engineer with the Sheppard, Morgan and Schwaab engineering firm of Granite City which conducted engineering for the sewer

(Continued on Page 3)

Municipal League head to talk here

Steve Sargent, executive director of the Illinois Municipal League, will speak in Granite City Wednesday.

The Southwestern Illinois Council of Mayors will hold its October dinner meeting at 6 p.m. Wednesday at the Granite City Army Installation officers' club.

The 8 p.m. business session will include comments by Sargent on pending Illinois legislation.

Raymond Jefferson, mayor of Shiloh, is president and Madison Mayor Mike Sasyk is vice president of the Mayors' Council, which includes Madison, St. Clair and Monroe Counties.

Members include Paul Schuler of Granite City, William M. Ebersold of Venice and Floyd David Moss of Pontoon Beach.

Limited SIUE role assailed

The mission and scope statement for Southern Illinois University at Edwardsville prepared by the Illinois Board of Higher Education staff is "highly restrictive" in attitude and ignores University input requested earlier by the BHE, Dr. John S. Rendleman, SIUE president, said Friday.

Dr. Rendleman made the comment in a letter to members of the SIUE Board of Trustees discussing implications of the university's Resource Allocation and Management Plan for the fiscal year beginning next July 1.

The RAMP document, which includes a university-

developed mission and scope statement, was adopted by the trustees at a meeting in Carbondale Sept. 12. It is a basic part of the university's budget request process, stipulated by the BHE.

The SIUE president's letter says the BHE staff ignored the mission and scope statement developed within the university since the period of several months of study.

He charged that the BHE staff statement, which was developed without communication with this ad-

(Continued on Page 14)

213-bed nursing home proposed

Madison County voters will decide Nov. 5 whether a \$1.7 million expansion program for the County Nursing Home should be undertaken, and some of the details of the proposal were given today by Floyd A. Fisher, administrator.

The county now operates a 96-bed intermediate care facility and a 67-bed shelter care facility, he noted. New state and federal regulations have placed many existing nursing and sheltered care beds in jeopardy and will increase the need for more new nursing care beds, he said.

"The expansion program would entail the addition of another wing extending south of the present building and then west in an L-shape," Fisher said.

"Each floor of the addition would have 24 semi-private rooms and one intensive care room for a total of 49 new beds on each floor.

"The area between the two sections of the building would become a mall-type area for outdoor recreation for residents and their visitors."

"The total bed capacity with the addition completed would increase from 96 to 213 beds,"

Fisher continued.

"The bond issue would result in a tax levy sufficient to repay the bonds over a 15-year span and it is estimated that the average tax rate for the 15-year period, based on the 1974 county assessment, would be 1.87 cents per hundred."

"This means a person owning a home worth \$20,000 would be assessed, based on half of value, at \$10,000 times the .0187 or \$1.87 per year average tax—a total of approximately \$38.06 for the entire expansion program."

"These figures are based on the 1974 county assessments and the cost to taxpayers would go down proportionately as the total value of property would increase in the county, such as new industry and new housing starts."

"The new addition would be able to accommodate all types of residents regardless of the amount of care needed."

"The nursing home at present does not have a tax base supporting it and the only thing this tax would do is pay for the expansion program, not staff or daily operational costs. The nursing home is self-supporting and will continue to be self-supporting," Fisher said.

VOTING IN VENICE Friday on a proposition to increase the school educational fund tax rate by 50 cents was Joe Foote, 115 Weber St., Venice. Election judges at left include Bernice Daniels and, behind her, Dorothy Koelker and Paye Smith. (Press-Record Photo)

Halloween hints

Officer Friendly, Glen Wright, of the Granite City police department, has offered the following advice to parents to keep children safe this Halloween:

Know your child's plans. Most routes he will be following and what companions will be with him. Groups should be no bigger than three or four and of the same age level.

Young children should be accompanied by an adult or

responsible older child. Children should stay in their own neighborhoods and not call at the homes of strangers.

Be sure you know what activities are planned; trick or treating, a party, or other plans.

Set a reasonable time for the child to be home and make sure he keeps it.

Be sure the child understands your rules and limitations for his activities.

Waive book fines Nov. 11-17— National Children's Book Week

By RAY TEVIS
Granite City Librarian
The week of Nov. 11-17 is National Children's Book Week. The Children's Department maintains a collection of all Caldecott Medal and Newbery Medal award-winning books.

The Caldecott Medal is awarded annually to the most distinguished picture book for children. The award is named after Randolph Caldecott, a 19th Century English artist and book illustrator.

The Caldecott Medal was first awarded in 1938 to Dorothy P. Lathrop's "Animals of the Bible."

The Newbery Medal is awarded annually to the author of the most distinguished contribution to literature for children.

This award is named after John Newbery, an 18th Century English publisher. He is recognized as the first publisher of books for children.

The first Newbery Medal was awarded in 1922 to Hendrik Willem Van Loon for "The Story of Mankind."

Patrons may obtain a listing of the authors and books which have received Caldecott and Newbery Medals by contacting either the Children's Department or the Bookmobile Department.

During National Children's Book Week, Granite City Public Library will not charge fines on overdue materials.

Patrons may deposit books in

the book return drop in front of the library or return books to the circulation desk.

The book return drop is for books only; records and other library materials must be returned to the circulation desk.

Question of the week: Where did the term "jack-o-lantern" originate?

One explanation is that a man, name Jack, was so stingy that he was not permitted to enter heaven. He had played so many practical jokes on the Devil that he was not permitted to enter hell.

He was condemned, therefore, to wander over the earth carrying a lantern to light his way until Judgment Day.

If you have unanswered questions, inquire at the library; the most intriguing questions with answers, will appear in this column.

NEWS-AND-NEW ITEMS
The library will be closed on Nov. 11 in observance of Veterans' Day.

GRANITE CITY PRESS-RECORD
Mon., Oct. 28, 1974 Page 2

John McCabe's new book, "The Comedy World of Stan Laurel," is an informal look at one of the all-time masters of comedy.

"Milton Berle, an autobiography"—by Berle, with Haskell Frankel—recreates the excitement, pathos, comedy and real tragedy of "Mr. Television."

Perhaps one of the most unusual new biographies is "Morris" by Mary Daniels. Morris is the feline superstar of television commercials. This is a couple biography for both adults and children.

Bill Surface offers a vivid and realistic contemporary report on today's American cowboy in "Roundup at the Double Diamond." The Double Diamond ranch is in West Texas, and the main focus of Surface's narrative is on the foreman and crew of this large cattle ranch.

CONSTRUCTION DIVISION of the Tri-Cities Area United Way campaign was presenting a trophy at the second report meeting in the YMCA for having the largest gain (46 per cent) from the previous report meeting held Oct. 16. The Construction Division has reached 76 per cent (\$7,946) of its goal. From left, Harold Rudolph of the YMCA presenting the trophy to Robert Gobert, division chairman, and George Weiss, group leader. The final report meeting is scheduled Wednesday noon at the 'Y'. All workers have been requested to finish their calls by then.

UNITED WAY receives a boost from Glik stores employees as their pledges for this year's drive exceeds those of last year. From left, Orville Hodge, volunteer worker in the retail section of the Commercial Division, Mrs. Nell Talley and Mrs. Violet Holder, employees of the store, and Joseph Glik.

'Trick or treat' precautions

To ensure that "trick or treating" will be a "fun time" and not end in tragedy, Dr. Joyce Lashof, director of the Illinois Department of Public Health, has urged parents to take special precautions to make this Halloween a safe one for their children.

Dr. Lashof said, "Costumes, whether purchased or homemade, should be fire resistant. Parents should look for 'flameproof' labels on costumes, masks, beads and wigs purchased in stores. Flimsy materials and outfits with big, baggy sleeves or billowing skirts should be avoided.

"Costumes should be short enough so children won't trip on them and light and bright enough to be clearly visible to motorists on dimly lighted streets. Even witches can wear reflective tape sewn onto their gowns, or carry flashlights.

"Masks and other disguises should not restrict vision or breathing. Plastic bags over faces can cause suffocation. A natural mask of cosmetics or charcoal applied directly to the skin is usually safest.

"Candle-light jack-o-lanterns should not be set on doorsteps where children's costumes may brush against them or near curtains or other inflammable furnishings indoors. Children should never be allowed to carry candles or any other open flame, even inside a pumpkin.

"Young trick-or-treaters should be constantly in view of responsible older persons. Youngsters should be cautioned against running across lawns or backyards where they might trip or fall, against dashing into streets between parked cars and against eating the treats they collect until they are carefully examined by an adult. Hazardous substances have been found in treats distributed by real-life ghosts.

"Finally," Dr. Lashof added, "motorists should take special care to watch out for the young ghosts and goblins who may be too busy to watch out for them."

Student honored

Anne DeRuntz, daughter of Mr. and Mrs. James DeRuntz, 2009 Lindell Blvd., and a senior at Granite City High School South, will be listed in Who's Who Among American High School Students, a national publication.

Miss DeRuntz is vice-president of the National Honor Society, secretary of the Science Club, publicity chairman of the Red Peppers and a member of the High World Staff and the Scholar Quiz team.

Bradley Briggs opposes campaign 'childishness'

Bradley "Mike" Briggs, 3905 Park Lane, one of three District 26 candidates for the Madison County Board Nov. 5, this week spoke out against "silly childishness" in campaign statements.

Whether incumbent Board Member Louis Whitsell authorized public funds to be used to produce mock "streaking" regulations last spring was an issue raised at a Nameoki Town Board meeting by Mrs. Shirley Gaudette, an active campaigner for Mrs. Helen Hawkins, another District 26 candidate.

Apparently under the impression that Whitsell had brought up the topic, Briggs blamed him for "resorting to stories that attempt to make any opposition appear foolish."

Whitsell has denied involvement in the "regulations." He was not at the meeting where the topic was mentioned.

Briggs contended this week that Mr. Whitsell tries "hard to find a false issue for use against his opposition. He will sensationalize in order to be

elected. As long as it works, he will be elected.

"I believe it is time to stop this childishness," Briggs said. "The people don't want to know about some absurd 'streaking rule' that he has devised as his key 'in' for the next election."

"The people want and need answers to issues—new and better answers. Mr. Whitsell has not answered to those issues yet and I don't believe he will. "I had nothing whatsoever to do with any 'streaking regulation' he seems to have come up with. I believe this tactic is absurd and undoubtedly a low thing to do."

"I hope voters of District 26 will consider these 'games politicians play' and vote 'truth with youth,' Briggs concluded.

MR. AND MRS. DAVID MOORE, who were married in the home of the bride's grandparents, Mr. and Mrs. Bill Uhls, 3905 Gaslight Walk Apts. She is the former Linda Chastain, a daughter of Mr. and Mrs. Narville Baker and the late Jasper Chastain.

Moore-Chastain nuptials

Miss Linda Chastain and David Moore were united in marriage on Sept. 27 in a ceremony taking place in the home of the bride's grandparents, Mr. and Mrs. Bill Uhls, 3905 Gaslight Walk Apartments.

The Rev. Bob Worley, pastor of Suburban Baptist Church, performed the service.

Parents of the bride are Mr. and Mrs. Narville Baker, of Rural Route One, Granite City,

and the late Jasper Chastain. The groom is a son of Mr. and Mrs. George Moore of Poplar Bluff, Mo.

A reception was hosted by Mr. and Mrs. Uhls at their home immediately following the ceremony.

After a wedding trip, the newly married Mr. and Mrs. Moore are now residing in Spanish Lake, Mo.

Altar Society bazaar Nov. 2-3

St. Elizabeth Altar Society's annual Christmas bazaar was the main topic of discussion last week at the group's October meeting at the church. Mrs. Shirley Heath, president, was in charge.

Progress reports were presented concerning the bazaar, which will take place Nov. 2 and Nov. 3 in the St. Elizabeth School cafeteria.

Those who reviewed committee activities were Mesdames Betty DeRuntz, Anne Pare, Marjorie Szepanski, Sue Gasparovic, Agnes Friedle, Marge Noth, Lee Reilly, Vivian Byer, Lillian Ropac, Secretary and Treasurer Mary Ohendorf.

Open House at South High

Open House at Granite City High School South will be observed all day Tuesday during the school sessions, according to Miss Barbara Kerch.

Parents and area residents are invited to attend classes with students, view activities at the school and "see South High School in action," Miss Kerch said.

Youth to present Biblical drama

"It's Cool in the Furnace," a musical drama will be presented at 7 p.m. Wednesday at Calvary Baptist Church, 3000 Washington Ave., by the Music Makers of Suburban Baptist Church.

The Rev. Bob Worley, Suburban Baptist pastor, said the contemporary musical will be performed by youth from the fourth through eighth grades.

The production involves the story of Shadrach, Meshach, Abednego and King Nebuchadnezzar as narrated by Daniel in the Old Testament, the minister explained.

Pontoon not authorized to repair access road

Horace Calvo, attorney for the Pontoon Beach Village Board, told the board during a recessed meeting Saturday morning that the village can not legally expend any tax money to repair the access road to the Quiet Valley subdivision to Highway 111, which is on property owned by Central Baptist Church.

Village Board President Floyd David Moss requested the legal opinion Thursday night after several Quiet Valley residents complained of deep holes in the property, which has been used as a street for years. The board could take no

action Thursday night for lack of a quorum, but members present did discuss the road issue with several residents.

Saturday the board passed an ordinance authorizing cars to be towed, at the owners' expense, from roads being repaired, if the owners have been given sufficient notice to move the cars.

The village's 1975 fiscal year motor fuel tax maintenance resolution for road repairs during the year was passed, calling for the expenditure of about \$11,000 for roads.

The board voted to have street lights installed at 191 Fontainebleau Drive and 4018 Kaseberg Lane.

State special education council honors GC man

Richard Lucide, a special education teacher at Wilson Middle School, has been named "Rookie of the Year" by the Illinois Council for Exceptional Children (CEC).

Winner of the statewide award was announced Friday at the CEC's annual convention dinner at the Regency Hyattsville-Hare Hotel, Chicago.

William Stuart Mills, supervisor of special education for Region I, which includes the Madison, Venice and Granite City school districts, said the "rookie" award is conferred by the state organization upon an individual for "outstanding accomplishments" in meeting the objectives established by

area CEC groups in the field of special education.

Lucide is the immediate past president of the Tri-Cities Chapter, Council for Exceptional Children. He directed programs of the local group during 1973-74, the first year that the Tri-Cities Chapter was chartered.

The Illinois CEC is a professional organization for teachers in all areas of special education. Mills said. "To achieve the award, Lucide's accomplishments were evaluated and judged superior to those of other first-year nominees submitted from all sections of the state, the supervisor advised.

John Janek, 62, succumbs

John Joseph Janek Sr., 62, of 281 E. 25th St., ill for two years, died at 7:16 p.m. Saturday at John Cochran Veteran Hospital, St. Louis, where he had been a patient for months.

Born in Bonne Terre, Mo., he had resided in the Quilt-Cities 56 years.

Mr. Janek was a member of Sacred Heart Catholic Church and belonged to the Tri-City

American Legion Post 113 and the Granite City Knights of Columbus. He also served with the U.S. Army with a field artillery battalion during World War II.

He was employed as a custodian for the Granite City School District for the past six years and formerly operated Johnny's Super Market at 1414 Twentieth St.

Survivors include his wife, Mrs. Rose M. (Bargiel) Janek; two sons, John J. Janek and Thomas H. Janek; a brother, Edward Janek; two sisters, Mrs. Elizabeth Jakupin and Mrs. Frank (Mary) Toth, all of Granite City.

Funeral arrangements are given in the obituary column.

Charge 2 after assault report

A 13-year-old Granite City girl reported being criminally assaulted by three youths of a group which had allegedly taken her to a Pershing Boulevard home at 11:30 p.m. Thursday. She was placed in the care of the Family and Children Services.

Charges of taking indecent liberties with a child were filed Friday against Kenneth Siebert, 17, of the 2800 block of Pershing, and Charles Ringling, 17, Spanish Lake, Mo. Another individual is being sought.

Home is ransacked

Rose Darling, 1625 Fourth St., Madison, told police at 1:10 a.m. Saturday that her home had been entered, three bedrooms had been ransacked and a \$20 bill had been stolen from a purse. She did not know how entry was gained.

Bids

(Continued from page 1)

The board heard a report on the proposed cost of drainage improvements for the Barnhart Subdivision, northwest of Maryville School, indicating three types of drainage systems could correct the problems of standing water and sewage on several lots.

The engineers said a grass swale system with landscaping could be completed at minimal cost by the highway department. A concrete surface drain would cost about \$750 and an underground system would cost about \$2,000, again if either was completed by township highway department labor.

Bell has in the past declined to allow his department to complete such work, saying he feels it is in direct violation of the law since the East Side Levee and Sanitary District is the only body legally authorized and receiving tax money to provide drainage within its jurisdiction.

Whitsett said he will contact the seven householders involved in the Barnhart drainage plan and see what type of drainage they would prefer, even though the township has a right-of-way in the subdivision which could be used for a drainage system.

In an attempt to bypass Bell's refusal to allow his department to participate in drainage improvements in the past, Auditor W. Lee Adams has run township equipment himself to try and complete another drainage project.

An attorney for the Teamsters' Union, which represents the highway department workers, addressed the board Saturday morning, saying he felt union labor should be used for such work in the future, unless permission is obtained from the union before the work is started.

The union official also requested that highway department workers be paid each week. They presently are paid Friday after each town board meeting. This month they received only one check as the board was unable to muster a quorum at one meeting.

Bell declined to change to a weekly pay, but said in future instances where the workers have to go more than two weeks without pay, he will attempt to call for a special meeting of the

GRANITE CITY PRESS-RECORD

Mon., Oct. 28, 1974

Hearing

(Continued from page 1)

project, and Horace Calvo, a Granite City attorney and state representative who recently was appointed by Madison County as bonding attorney for bonds to be sold for the sewers.

The entire sewer program is expected to cost about \$12 million with the state and federal governments paying 75 per cent or approximately \$9 million of the cost for both, the collector sewers and the interceptor sewers.

Calvo is set up to \$4 million worth of bonds to finance the local share of the cost of construction.

Although the EPA grants have been approved, the Four Township Sewer Committee still must complete several requirements before the grant will be activated—the first being Tuesday's required public hearing.

Juneau has said the next step will be application for a Step Two grant which will finance planning, engineering and completion of detailed design work.

Despite the "Red Tape" steps which must yet be taken, officials are hopeful of prompt release of construction funds, since the grants have been approved for the government's 1975-76 fiscal year which begins July 1, 1975.

Hits parked car

The auto of Maryann Hiltz, 1228 Meridian Ave., went out of control and struck the auto of Raymond McGee, 2812 Wilson Ave., parked in front of McGee's home, at 11:45 p.m. Friday.

Clifford Hiltz, 35, also of 1228 Meridian Ave., a passenger in the Hiltz auto, went to St. Elizabeth Hospital after the crash and was admitted with a cut to his face.

Mrs. Bender dies at 98

Mrs. Bertha Bender, 98, of 2225 Cleveland Blvd., died at 7:35 p.m. Sunday at the Colonial Nursing Home, Maryville, where she had resided for two and a half years.

She was born in Dayton, Ohio, and resided in this area 37 years.

Her husband, Fred J. Bender, died Jan. 25, 1941.

Survivors include two daughters, Mrs. Paul A. (Irene) Mahrt of Granite City and Mrs. A. R. (Mary J.) Perez of San Antonio, Tex.; a son, Dr. James F. Bender of Roely Heights, N.Y.; seven grandchildren and 10 great-grandchildren.

Funeral arrangements are given in the obituary column.

Spare tire stolen

Ruth Morton, 4128, Pontoon Road, reported at 2:05 p.m. Thursday, that three men were seen removing a spare tire from her trunk of her 1974 auto after punching out the lock. The auto was parked at 1408 State St.

Thursday — Hamburger patties, fried potatoes, corn, pudding.

Friday — No school.

Monday — Hot dog on bun, kraut, whipped potatoes, cake.

Diane Greer married in evening ceremony

Urns of yellow and orange flowers and burning yellow tapers in branched candelabra provided an autumn setting at the Third Baptist Church for the wedding on Saturday evening of Miss Diane Greer and Ken Simon.

The bride is a daughter of Mrs. Deloyce Greer, 2672 Center St., and the late Richard Greer. Parents of the groom, Mr. and Mrs. Paul A. Simon, reside at 407 Stearns Ave.

Officiating at the 7 o'clock double ring ceremony was the Rev. Robert Lerner of Kansas City, Mo.

Organist Miss Cheryl Harper accompanied Miss Donna Cockrell as she sang "Wedding Song" and "The Wedding Prayer."

The bride chose an ivory doekin satin gown created by her mother. Her dress was designed with a molded bodice, accented with pearl encrusted Chantilly lace, a high neckline and crescent waist.

Matching lace trimmed the wide cuffs of the long, full sleeves and bordered her mantilla veil. She carried a cascade bouquet of yellow roses, baby breath and long satin streamers.

Miss Nancy Greer, a sister of the bride, served as honor attendant. She chose an A-line gown in avocado green made with a fitted bodice and long sleeves.

The bridesmaids, Lisa Cox, Pam Clark, Carla Watkins and Janice Craig, a cousin of the bride, wore identically styled dresses in gold.

Each attendant wore a headpiece of illusion in a shade to match her attire and held a colonial bouquet of orange pom poms and baby breath, festooned with variegated greenery and orange streamers.

Karla Setser, the bride's cousin, was the flower girl. She

was dressed in a yellow frock and carried a basket of carnations.

The groom selected his brother, Don Simon, as best man. Groomsmen included another brother, Robert Simon, and Duane Parrish, Tim Elliott and Tom Mitchell.

Escorting the guests to their seats were Craig Foster, the bride's cousin, Barry Schroeder and Ralph Buske.

Mrs. Greer, mother of the bride, selected a beige full length gown complemented with a corsage of yellow carnations. The groom's mother, Mrs. Simon, was attired in a pink and lavender ensemble. She wore a corsage of white carnations.

Guests were received by the newly married couple at a reception given in the church fellowship hall.

A rehearsal dinner was hosted at Charlie's Restaurant on Friday evening.

Both young people are graduates of Granite City High School. The bride is now employed in the cost accounting department at Granite City Steel. Her husband works as an electrician at Shell Oil Refinery in Wood River.

They will reside in Granite City following a wedding trip to Table Rock, Mo.

MRS. KEN SIMON, the former Miss Diane Greer, who was married Saturday evening at Third Baptist Church. She is a daughter of Mrs. Deloyce Greer, 2672 Center St., and the late Richard Greer. (Granite Press Photo)

Hasty-Theis engagement

Mr. and Mrs. Robert Theis, 2432 Delmar Ave., are announcing the engagement and forthcoming wedding of their daughter, Miss Regina Theis, to James Thomas Hasty III, 3121 Carlson Ave.

The prospective groom is a son of Mr. and Mrs. James Hasty II of Richmond Heights, Mo. He is employed at the National Lead Co. plant in Granite City.

Plans are being arranged for a wedding on Nov. 29 at St. Joseph Church.

Party honors serviceman's wife

Mrs. Ruth A. Gage was honored last week at a baby shower given by Miss Ruth E. Holman and Mrs. Donna Johnson at St. John Lutheran Church.

The fellowship hall was decorated in yellow and white, with yellow floral arrangements centering the tables.

A buffet luncheon of turkey, relishes, cake and coffee was served by the hostesses after the guest of honor opened her gifts.

Those attending were Mesdames Charlene Roberts and daughter, Jo Lynn, Jackie Johnson and son, Billy, Anna Holman and great-grandson, Jeremy Johnson, Lillian Brokaw, Mary Anna Kaminski and daughter, Karen, Dorothy Hatfield and daughter, Chris, Ellen Brokaw, Dorothy Brokaw, Bernita Hall, Esther Papp, Louise Potillo and Hazel Jones.

Mesdames Eileen Brandley and daughter, Ruth, Martha Dorich, Mildred Gage, Kathy Smick, Edna Smick, Kay Harris and daughter, Diane, Sue Nesbit, Stella Patterson, Shirley Roberts, Lydia, Boda, Phyllis Jarabek, Velma Devine, Mesdames Ruth Chapman, Liz Stevens, Reba Forsyth, Kathy Dorich, Cecelia Holman, Alma Gage, Sharon Kirksey, Benita Gage, Pat Gage, Nora Stallings, Ann Lee and daughter, Kelly, and Carol Wyatt.

Mrs. Gage is the wife of Lieutenant John B. Gage Jr. They presently are visiting relatives in the area.

The serviceman and his wife will leave Nov. 8 for Okinawa, where Lt. Gage will begin a 2½-year tour of duty.

Janet Geiger marries David Haig Matoesian

The Rev. Arvin Twietmeyer officiated at a double ring ceremony at 7:30 p.m. Oct. 11, at Concordia Lutheran Church, uniting in marriage Miss Janet Marie Geiger and David Haig Matoesian.

Urns of carnations in apple green and coral shades adorned the altar for the evening service.

Organist June Barton accompanied Melanie Asadorian as she sang "Sabbath Prayer," "The Wedding Song" and "Lord, Who at Cana's Wedding Feast."

The bride is a daughter of Mr. and Mrs. John Geiger, 1613 Lindell Blvd. The groom's parents, Mr. and Mrs. H. Matoesian, reside at 1725 Walnut St.

Escorted to the altar by her father, the bride wore a white organza gown fashioned with an Empire silhouette of lace. Venice lace floral motifs formed alternate bands on the bodice and capped the full shepherdess sleeves.

A deep ruffled flounce bordered the hemline of the bodice and a full sweep train.

She wore a lace camelot headpiece to secure a fingertip veil, edged in matching lace, and her cascade bouquet was composed of Tropicana roses, white carnations, baby breath and spengler.

Miss Alice Geiger, a sister of the bride, chose a shrimp jersey gown in Grecian style featuring an open neckline. A deep berth collar extended into cap sleeves over the sleeveless bodice. The natural waistline was accented with a peplum above a softly flowing skirt.

Bridesmaids Mrs. Deborah Jolly, Mrs. Jacqueline Adams and Miss Margaret Norsigian, a niece of the groom, were attired in similar style gowns of leaf green jersey.

All the attendants wore coral stationery in their hair and held nosegays of Fulton, coral and apple green carnations intermingled with coral baby breath.

The groom chose his nephew, Gregory Matoesian, as best man. Charles Vartan, Edward Asadorian and Michael Skarke were groomsmen. Ushers included James Geiger, a brother of the bride, Arthur Asadorian and George Maritan.

A reception followed the ceremony at Crofton Hall.

Mrs. Geiger, mother of the bride, appeared in a formal length aura jersey gown with long fitted sleeves. The dress was enhanced with jewel motifs at the waistline and collar.

The groom's mother, Mrs. Matoesian, chose a soft green two-piece ensemble. Her matching jacket was trimmed with a black mink collar. Both mothers wore corsages of Royal Bouquet orchids.

A dinner was served after the church rehearsal at Charlie's Restaurant.

After a wedding trip to Nassau, Bahamas, the newly married couple will reside in Granite City.

Both are graduates of Granite City High School. The bride also graduated from Southern Illinois University at Edwardsville with a degree in mathematics. She is a member of Pi Mu Epsilon honorary mathematics fraternity.

Mr. Matoesian received a chemical engineering degree from the University of Missouri at Rolla. He is employed as chief chemist at Missouri Portland Cement Co., St. Louis.

Mr. and Mrs. Robert Theis, 2432 Delmar Ave., are announcing the engagement and forthcoming wedding of their daughter, Miss Regina Theis, to James Thomas Hasty III, 3121 Carlson Ave.

The prospective groom is a son of Mr. and Mrs. James Hasty II of Richmond Heights, Mo. He is employed at the National Lead Co. plant in Granite City.

Plans are being arranged for a wedding on Nov. 29 at St. Joseph Church.

Those attending were Mesdames Charlene Roberts and daughter, Jo Lynn, Jackie Johnson and son, Billy, Anna Holman and great-grandson, Jeremy Johnson, Lillian Brokaw, Mary Anna Kaminski and daughter, Karen, Dorothy Hatfield and daughter, Chris, Ellen Brokaw, Dorothy Brokaw, Bernita Hall, Esther Papp, Louise Potillo and Hazel Jones.

Mesdames Eileen Brandley and daughter, Ruth, Martha Dorich, Mildred Gage, Kathy Smick, Edna Smick, Kay Harris and daughter, Diane, Sue Nesbit, Stella Patterson, Shirley Roberts, Lydia, Boda, Phyllis Jarabek, Velma Devine, Mesdames Ruth Chapman, Liz Stevens, Reba Forsyth, Kathy Dorich, Cecelia Holman, Alma Gage, Sharon Kirksey, Benita Gage, Pat Gage, Nora Stallings, Ann Lee and daughter, Kelly, and Carol Wyatt.

Mrs. Gage is the wife of Lieutenant John B. Gage Jr. They presently are visiting relatives in the area.

The serviceman and his wife will leave Nov. 8 for Okinawa, where Lt. Gage will begin a 2½-year tour of duty.

Miss Martha Wiser and Darrel Kratzer are wed

Calvary Pentecostal Assembly Church, 4650 Maryville Road, was the scene of the afternoon wedding on Oct. 12, of Miss Martha Wiser, a daughter of Mr. and Mrs. Victor Wiser, 1511 Cottage Ave., and Darrel D. Kratzer of Ellsworth, Mo., a son of Mr. and Mrs. Henry Kratzer of Ellsworth, Kan.

Mrs. Rebecca Miller presided at the organ and sang "Love Story," "Colour My World" and "The Wedding Prayer."

The Rev. Harold Maynard performed the double ring ceremony at 2 o'clock before an altar decorated with bouquets of mixed blossoms.

Escorted down the white carpeted aisle and given in marriage by her father, the former Miss Wiser selected a floor length gown of organza, worn with a lace edged mantilla veil.

Chantilly lace enhanced the Empire bodice, high neckline and the cuffs of the long sheer sleeves and formed panels on the front of the A-line skirt.

She carried a cascade bouquet of white carnations, red roses, baby breath and greenery.

The maid of honor was Miss Melinda Hull, a niece of the bride, and the bridesmaids were Miss Linda Roy and Miss Jo Ann Wiser, the bride's niece.

They were gownned alike in floor length dresses. Their purple velvet Empire bodices featured a lilac chiffon ruffle edging the V-necklines and long fitted velvet sleeves. The slightly gathered skirts were created of lilac chiffon.

Each attendant wore a purple bow in her hair to secure a lilac

nose-tip veil and held a bouquet of white carnations, tinted purple, and baby breath with purple streamers.

Lisa and Lora Wiser, twin nieces of the bride, served as flower girls. They wore lilac organza frocks with white eyelet and purple ribbon defining the Empire waistlines. Purple velvet bows were worn in their hair and each carried a basket of flower petals.

The groom was attended by his brother-in-law, Charles Haime, as best man. Harlan Kratzer, a brother of the groom, and David J. Mario were groomsmen.

Escorting the guests to their seats were Martin Wiser and Barry Hull, nephews of the bride. Another nephew, Billy Wiser, was the ringbearer.

Immediately following the ceremony, guests attended a reception at Kirkpatrick Homes Recreation Hall. Valerie Hull attended the guest book.

Mothers of the couple, Mrs. Wiser and Mrs. Kratzer, chose blue knit gowns complemented with black accessories and white carnation corsages.

The bride, a 1968 graduate of Granite City High School, is employed at the Lenders Cleaning House, St. Louis.

Mr. Kratzer was graduated from Ellsworth (Kan.) High School and is manager of Household Finance Corp., St. Louis.

Out-of-town guests here for the wedding were Mr. and Mrs. Charles Haine and family of Rockford, Ill.; Harlan Kratzer, Millington, Tenn.; and Mr. and Mrs. Martin Diefenbach of Marion, Ill.

North Steelers — like Cards, once 7-0 — suffer 28-25 setback

State playoff championship hopes of GCHS North remain alive, but the football Steelers suffered their first defeat of the 1974 season Friday night, losing 28-25 to the visiting DeSmet eleven of St. Louis.

Now 7-1 for the season, North led as late as the fourth quarter on the Granite City gridiron. But the Spartans of the Jesuit-operated Missouri school fought back and won on the strength of their after-touchdown points.

Each team recorded four TDs and North had a 15-12 edge in first downs as well as a 195-141 yard rushing advantage.

Although outdistanced 148-129 in aerial yardage, the Steelers hit 13 of 16 passes to the visitors' eight of 12, and had a 204-289 overall edge in yards gained.

North received the opening kickoff and advanced only to its 25. DeSmet reached its 43, the Steelers marched to the Spartan 44 and the visitors then moved to their 26 before punting.

A successful Steeler drive began on the North 22 on a runback by Bill Carr. Al Sunderlik ran for four yards, Lenny Wright five yards, Mike Donoff eight and Wright 17 yards before Quarterback Gene Logas passed 14 yards to Carr.

After a penalty and a loss, Logas passed 21 yards to Larry Schleicher and Wright ran five yards to the DeSmet 30 as the first quarter ended.

Logas ran to the five-yard line and Wright to the two. Logas kept the ball and fumbled. Tackle Wade Huff recovering in the end zone for a touchdown. Wright kicked the extra point for a 7-0 lead.

DeSmet retaliated with a 60-yard drive climaxed by a 15-yard TD pass play from Quarterback Tom McCarthy to End Ray Vollmer. Mike Sullivan kicked the tying point.

The Spartans held North and then gained a 14-7 lead on a four-yard TD pass from McCarthy to Vollmer and another Sullivan kick. The march covered 54 yards.

North began a drive but was still on its 47 when halftime arrived.

The tide turned in the Steelers' favor in the third period. After forcing DeSmet to punt — returned by use up the remaining time by picking up a first down on the North and then running three more plays for no net gain.

Sullivan's kick made it 21-19. On its next possession, DeSmet traveled 75 yards in nine plays, the last 31-yard run by Halfback Tom Rogers. When Sullivan again booted the ball through the uprights, his team had a 28-19 lead.

North fought back immediately to score on a 71-yard march driven by a pass interference call against DeSmet, a Logas-to-End John Scott pass to the enemy 47, a 17-yard Logas strike to Schleicher and a 16-yard aerial to Wright.

With the ball on the DeSmet 14, Logas threw toward Carr. Vollmer and another Sullivan kick put the ball on the seven. Logas next passed to Sunderlik for a touchdown and a 28-25 tally.

The extra-point kick was wide of the mark.

North tried an on-side kickoff but the Spartans recovered on their 46 and were able to use up the remaining time by picking up a first down on the North and then running three more plays for no net gain.

The Belleville West Maroons have only a 3-3 Southwestern Conference record and a share of fourth place in the league football standings. But they played like champions on their home field Friday night in battering Granite City High School 43-8.

The game brought back memories of past title-bound Maroon eleven.

Only points on the scoreboard for the still-winless Warriors were posted in the second quarter.

Quarterback Kirk Champion threw a 17-yard touchdown pass to Tom Schooley, and Champion then tossed to Ray Smith for a two-point conversion.

Schooley had just run back a kickoff 79 yards.

The Maroons were dominant in nearly all categories of comparison, rolling up 337 yards in rushing and 208 yards on 12 passes out of 22 attempts. The first down advantage was 26-7.

South connected on six of 13 aerials for 109 yards and earned 115 yards on the ground. West intercepted two Warrior passes.

In pointblank in the initial quarter was limited to a field goal by Doug Dobbs, giving the Maroons a 3-0 lead. The kick covered 35 yards.

Belleville West got busy in the second quarter to score touchdowns on a two-yard run by Quarterback Rusty Lisch, a one-yard plunge by Dave Robinson and a 40-yard pass play from Lisch to Ed Holdener.

Dobbs successfully kicked the first and third extra-point at-

tempts but missed the second. The 20-point Maroon outburst gave the host squad a massive 23-0 lead.

The Champion-to-Schooley and Champion-to-Smith passes followed and the score stood at 23-0 during the halftime intermission.

It was more of the same in the third period.

Lisch ran the ball across from five yards out, and Dobbs' placement kick made the score 30-0. Then Robinson tallied on another one-yard effort, the kick failing; the score was 34-0.

In the fourth period, Terry Mohr capped a West touchdown drive with a six-yard run into the end zone. Dobbs kicked the extra point.

Lisch started with an 11-for-21 passing performance good for 265 yards and 14 runs for 153 yards. Robinson picked up 36 yards on 12 rushing plays.

Mohr capped a West touchdown drive with a six-yard run into the end zone. Dobbs kicked the extra point.

Lisch started with an 11-for-21 passing performance good for 265 yards and 14 runs for 153 yards. Robinson picked up 36 yards on 12 rushing plays.

Knight defense stifles football Trojans, 21-0

Stout defensive play by the host Mater Dei Knights contained the Madison football Trojans 21-0 at Breese Friday night. It was the 1974 homecoming game for Mater Dei.

The Knight defense outmaneuvered MHS offensive blocking to limit the Trojans to 28 yards on rushing plays and 17 yards through the air.

Mater Dei moved 186 yards on the ground and 131 yards with passes in chalking up eight first downs to the visitors' four.

Madison completed two of eight passes and had no interceptions, while the Knights connected on seven of 13. There were two interceptions by Madison.

Penalties pushed the Trojans back 85 yards to Mater Dei's 50 yards. Madison lost one fumble to the hosts and it proved to be costly.

The first period ended scoreless but the second quarter brought a 67-yard Mater Dei advance highlighted by a 32-yard touchdown pass play. Matt Fields threw a slant pass to Halfback Tom Deters, who in turn passed to End Marvin Hubbard.

The Trojans responded by driving into Knight territory but had to punt and later lost a fumble on the Mater Dei 24-yard line.

Breese then passed for a second touchdown. Quarterback Terry Hipas tossing to Halfback Phil Becker's one-yard plunge with five minutes left. A 39-yard gain by Rick Farrell ended the Knight advance.

Neither team could score in the third quarter, the Trojans holding successfully on their one-yard line. But in the fourth period Mater Dei put together a 50-yard drive concluded by Halfback Phil Becker's one-yard plunge with five minutes left. A 39-yard gain by Rick Farrell ended the Knight advance.

Mike Woods handled the Trojan passing, completing series to Darryl Franklin and Curtis Horton, as well as snaring an enemy pass.

Joe Young picked up 48 yards on 13 runs. Dwight Chollars ran for 16 yards and Woods netted 11.

Becker ran for 69 yards, Tom Deters 60 and Rick Farrell 45 yards for Mater Dei.

Madison made 48 tackles to 34 by the Knights. Mike Stanley was credited with nine tackles, Leroy Booker eight, Young seven, Franklin six and Dalfred Haynes, four.

South grid frosh prevail by 34-16

The freshmen grid Warriors of GCHS South defeated visiting Cahokia 34-16 Thursday at South Field. GCHS South, with one game remaining, now is 5-2 on the season.

Scoring for the Warriors were: Cliff Moran, 99-yard kickoff return and five-yard TD run; Quarterback Mike Forshee to Tony Elliott for a 30-yard pass-play; Bob Curtis, five-yard dash and four points on two conversion runs; and a two-point conversion on a Forshee to Larry Houston pass; a two-point safety credited jointly to Darrell Hasty and Joe Boyd; and an automatic two points on a snap into the end zone by Cahokia.

The program will continue every weekend for the next three weeks. On Saturday, the 2, the wrestlers will hold a picnic for the young men at SUE's Town Lake.

The following Saturday, Nov. 9, the group will tackle a tough obstacle course at Lewis and Clark Community College in Godfrey, and on Nov. 16 the Cougars will sponsor an indoor swim at the Alton "pool."

SUE grapplers will wind up the program by taking the

Football Chiefs score 31-0 win

Fraser Junior High School blanked Webster of Collinsville 31-0 Thursday at the Chiefs' grid field here.

Scoring for Fraser were: Steve Burns, two TD's; Bob Thebeau, two TD's; Mitch Steen, one TD; and Tom Harrison, a point-after-TD kick.

Sub-sectional soccer slated

The stage is set for the start of tomorrow's sub-sectional play at two sites here—GCHS North and GCHS South—in the third Illinois High School Association boys' state soccer tournament series. Competition at 11 other sites also is starting.

Teams advancing from the sub-sectionals will meet for the sectional championship at seven sites Nov. 5.

The seven survivors will be joined by the Chicago league champion in the eight-team state finals Nov. 9 at DeKalb.

First-round action here will start at 3:30 p.m. tomorrow at both schools, with GCHS South playing Carbondale Central and GCHS North playing St. Paul of Highland.

At 3:30 p.m. Wednesday, Cahokia and Gibault of Waterloo will meet on the South Field and Collinsville and Assumption of East St. Louis will clash at the Steeler Field.

The victors of GCHS South's two contests will play each other at 3:30 p.m. Friday to decide an entry in GCHS South's sectional championship game on Nov. 5.

Winners of North's two sub-sectional games will meet on the Steeler Field at 11 a.m. Saturday, to send the victor to South's sectional.

South's Warriors, 1974 Southwestern Conference champions 11-6-0, have a 15-game winning streak and an overall 15-2-1 record, having lost 2-1 in overtime to GCHS North and to upstate Maine East. South's tie was a 1-1 game with New Trier West.

Terry to state

Warrior Dwayne Terry, who since his junior year has set cross-country course records at several sites, will compete at 11 a.m. Saturday, at Peoria's three-mile Detweiler Park course in the 1974 Illinois High School Association's cross-country state finals.

The senior warrior, who this season set a new three-mile Southwestern Conference cross-country course record at Alton, placed third Saturday in sectional competition at Jacksonville.

Alton carries Mike Sawyer and Carrey Reinking were first and second, respectively, with identical times of 14:34. Terry had a time of 14:43.

Alton captured the sectional meet with 49 points. Edwardsville had 52, East St. Louis 100, and Jacksonville 149.

Judo registration

The Tri-City Area YMCA, 2001 Edison Ave., will offer its second fall session of judo classes starting Monday, Nov. 1.

Len Fuchs again will be instructor. He is a Shodan—first degree black belt.

Fuchs, who has won several matches in National AAU competition, is a junior at SIUE studying law enforcement. He placed third in the Junior College Nationals and fifth in the YMCA Open Nationals. He began competing in judo at the age of six at the YMCA.

Registration for classes began today, for junior high school, and adult age divisions and will continue through Friday. Classes will be held each Monday and Wednesday for seven weeks.

South, which rolled to the state title in 1972 and third place last year, has never lost a sectional battle but "I'm much concerned about the first game with Carbondale," says Warrior mentor Gene Baker.

Carbondale Central adds foreign flavor to the games here. The team is comprised of players from many parts of the world, including Sweden, Denmark, Germany, Greece and Cuba, as well as Massachusetts, California and Illinois.

"No one in this area," notes Baker, "seems to know much about the team."

A reason why Carbondale is virtually unknown is that tomorrow's contest with South will be its first confrontation with another high school.

Carbondale, coached by two players of SIUE's soccer team, plays by IHSA rules but is an intramural school which splits its players into two teams and plays against itself.

Heading the scoring efforts, with four-goals-per-game averages, are Denmark's Christian Pedersen and Greece's Thimios Zaharopoulos.

Steeler Coach Bob Kehoe, who has tutored North to a 16-3 record, says of the contest with St. Paul, "I hate to count our chickens before they hatch."

The second-year Steeler twice defeated St. Paul in regular season action, 6-0 and 3-0.

Other than Alton, the Steelers lost also to Quincy and GCHS South, both by 2-1 decisions.

Springfield 137, Quincy 149, Highland 152, GCHS South 154, Jacksonville 184, Springfield Southeast 200, Springfield Lamplighter 204, Springfield Griffin 333, Rushfield 350, Macomb 383, Colchester 386 and Taylorville 416.

GCHS North's only sectional representative, freshman Mike Baker, toured the Jacksonville course in 15 minutes and 18 seconds to finish 13th. Baker qualified for the meet after placing in the top ten last week at the Alton district.

Other than Terry, South finishers were: Sam Nesbit 32nd, 15:58; Jim Hix 36th, 15:46; Frank Holmes 39th, 15:56; Russ Presswood 44th, 15:56; Greg Ahlers 48th, 16:01; and Dave Brown 58th, 16:28.

Other than Terry, South finishers were: Sam Nesbit 32nd, 15:58; Jim Hix 36th, 15:46; Frank Holmes 39th, 15:56; Russ Presswood 44th, 15:56; Greg Ahlers 48th, 16:01; and Dave Brown 58th, 16:28.

North cage-mat season passes

Gilbert Walmsley, principal of Granite City High School North, has announced that the board of education has provided an adult season pass for all home basketball and wrestling events.

The cost for 10 home basketball games is \$10 for the season pass, and the cost for eight home wrestling meets is \$8 for the season pass.

Normally, adult admittance to athletic events is \$1.50 per adult. Purchase of a season pass will save each fan \$5 for the basketball season and \$4 for the wrestling season.

Adults are to report to the main office of GCHS North starting Nov. 1.

Kristoff heads World Cup team

SIUE wrestling coach Larry Kristoff was named Friday as head coach of the 1975 U.S. World Cup wrestling team.

The team will compete against Bulgaria, Turkey and the Union of Soviet Socialist Republics in the World Cup March 28-30 in Toledo, Ohio.

Last year, Kristoff was assistant coach for the World Cup team. It is one of five nominees to reach the 1975 U.S. Olympic team.

Kristoff has been head wrestling coach at SIUE since 1969 with a 39-11-3 record. Last season, the Cougars placed second in the NCAA Division Two tournament and he was named Division Two wrestling coach of the year.

Fall wrestling

Another fall session of wrestling for all age levels, beginning Nov. 5, will be offered by the Tri-City Area YMCA.

Granite City Bill Fuchs, 1967 Illinois state champion, will instruct the seven-week course, which will meet on Tuesday and Thursday each week.

Registration began today at the "Y." Fees are \$4 for "Y" members and \$15 for non-members. Deadline is Saturday, Nov. 2.

QUINCY EDGES COUGARS

The Quincy College and SIUE Cougars game Saturday featured a hard-fought, bitterly contested game and lived up to its billing. Quincy won it 1-0 before an estimated 5,300 fans at SIUE, most of them disappointed by the outcome.

The loss dropped Coach Bob Guelker's Cougars record to 9-2-0 and upped the Quincy Hawks of Coach Jack MacKenzie to 10-1-1, a record which should maintain Quincy's national ranking at No. 3. Just the week before, St. Louis U. and Quincy played a 0-0 tie.

MICHELL BASKETBALL REGISTRATION TUESDAY

The Mitchell Athletic Club will hold open registration from 6 p.m. to 8 p.m. tomorrow for boys of third through 12th grade interested in playing basketball with the club.

Registration will be accepted from area youths at the Mitchell Grade School gymnasium. Further information can be obtained by contacting Myron Merg at 931-1218.

GIRLS' FIELD HOCKEY

GCHS North opens its 1974 girls' field hockey competition at 4 p.m. today with Edwardsville at Steeler Field.

VICKY COLP ADMITTED AT LOCAL HOSPITAL

Vicky Colp, daughter of Mr. and Mrs. William Colp, 4401 Kirkpatrick Homes, a student at Granite City High School, is a patient at St. Elizabeth Hospital.

She was admitted to the hospital's Intensive Care Unit last week and was transferred to the regular care section during the weekend when her condition apparently improved.

Rob and beat man

Edgar Mumbower, 67, Edwardsville, was admitted to St. Elizabeth Hospital at 3:15 a.m. Saturday after he said he was robbed, sprayed with mace and beaten with fists. He suffered contusions and swelling to the right side of his face.

Warnock burglary

Two stereos, two speakers and about \$100 cash were stolen from the home of E. F. Bivens, 4725 Warnock Ave., it was reported at 9:30 p.m. yesterday. Entry was believed gained by opening a bedroom window. The stolen items were valued at \$663.

Damaged by fire

An auto belonging to Rose Liebhold, 2400 Highway 162, was damaged when the vehicle caught fire at 12:30 p.m. Friday. Long Lake firemen were called to the scene.

Take cash, checks

About \$40 in cash, several checks and some due bills were stolen from A-1 Auto Body, 2123 E. 23rd St., it was reported at 3:35 p.m. Friday.

Births

Births recorded at St. Elizabeth Hospital.

Mr. and Mrs. Turrell Holloway, 2233 Iowa St., Oct. 24, Amanda Jessica, seven pounds, five ounces.

Mr. and Mrs. Fred Sam Soucie, 709 M. Meadowlark Drive, Oct. 26, Christine Marie, six pounds, four ounces.

Mr. and Mrs. Leo Sprankle Jr., 135 Holiday Mobile Homes, Oct. 27, Jennifer Lee, 10 pounds, 10 ounces.

BOYS

Mr. and Mrs. Randall Jones, 3701 Kirkpatrick Homes, Oct. 24, Randall Keith, seven pounds, 12 ounces.

Mr. and Mrs. Jerome Shultz, Collinsville, Oct. 25, Chad Lee, eight pounds, four ounces.

Mr. and Mrs. Edward Tomlin, 2904 Harding Ave., Oct. 25, Edward Leon Jr., nine pounds, three ounces.

Mr. and Mrs. Elard Douglas, Highland, Oct. 25, Robert Launcy, eight pounds, one ounce.

Mr. and Mrs. Charles Kibbons, Glen Carbon, Oct. 26, John Paul, eight pounds, two ounces.

Mr. and Mrs. Ralph Serini, 4095 Kaseberg Lane, Oct. 27, Jeremy Ryan, eight pounds, seven ounces.

Water company strikers back on jobs here

Striking workers of the East St. Louis and Interurban Water Co. returned to their jobs yesterday following a one-day strike outside water company pumping facilities in Granite City, Chouteau Island and in East St. Louis.

The strike was called after the company refused to allow a maintenance worker with 28 years seniority to return to his job after recovering from a heart attack, union members alleged.

The company wanted him to accept a laboratory position, which would have meant demoting a laboratory worker with 32 years seniority to the maintenance position at lower pay.

Workers returned to their jobs yesterday after being told the company had agreed to meet Wednesday with officials of Utility Workers Union Local 406, to discuss the issue.

The Granite City pumping facility is between 20th and 24th streets near Logan Avenue in West Granite City.

Steel motorcycle

The 1973 dark green Suzuki motorcycle of Charles Rodgers, 2515 Lincoln Ave., was stolen from Rodgers' home, he reported at 6:20 p.m. Friday.

North Queen and escort to be presented this week

Granite City High School North's Fall Festival 74 Queen and her escort will be presented Wednesday and Thursday evenings in the South's auditorium immediately after the school play that begins at 8 p.m.

Selection of the two to be honored was made by secret ballot of the student body at North on Friday morning, but will be kept secret until the formal presentation of the Royal Court.

Girls making up the court, one of whom has been elected Queen, are Coral Atkinson, Laura Compton, Laurie Morris, Pat Pedkins, Cloyce Randall, Sandy Smith, Jamie Stevens, Kathy Wilson, and Debbie Winfield.

Boys in the court, one of whom has been elected the Queen's Escort, are Bob Carr, Brian Chastain, Mike Donoff, Mike Grisham, Dave Hamilton, Keith Lucas, Joe Poacher, Jeff Reiter and John Royce.

Miss Donna Voss, Fall Festival 74 Queen, will crown the 74 Queen.

The North Student Council is supervising the election and presentation of the court. Mark Davis and Karen McCrone are co-chairmen of the event. Pam Reinhardt is coronation chairman, Karen McCrone and Mary Vesci, decorations chairman, and Debbie Rea, program chairman.

Harry E. Cook is the faculty advisor to the Student Council.

Mrs. McCollegan dies at 86

Mrs. Olive C. (Pashea) McCollegan, 86, formerly of 2247 State St., died at 5:45 a.m. today at Colonial Haven Nursing Home after an illness of one year.

She was a member of St. Joseph Catholic Church and belonged to St. Ann's Altar Society and the Anchorage Senior Citizens Club.

Mrs. McCollegan was born in Tiff, Mo., and resided here 50 years.

Her husband, Fred McCollegan, died in 1946.

Cyclist hurt

Dennis Wells, 25, of Box 484 Granite City, was injured Saturday when he was struck by a car while riding his bicycle on Route 40 near State Park Place. Wells' motorcycle and the auto of Chris Cowlesky, Collinsville, collided, it was reported.

Radio is stolen

A \$210 citizens' band radio was stolen from Riss Truck Lines, 1427 Market St., Venice, Mr. and Mrs. Francis Barbeall, owners, reported at 11 p.m. Saturday. Glass in the rear door was broken and the door unlocked to gain entry.

News notes

A hearing is set for 9:15 a.m. Thursday at the City Hall in Granite City on proposed changes in the Madison County zoning ordinance.

Food is stolen

A ham, eight cans of soup, chicken legs, milk and three chickens were stolen from the home of Roy Shambaugh, 2226 Edna St., it was reported at 10:20 a.m. Saturday.

advised to the Student Council. Fall Festival 74 activities begin today with the various school clubs operating booths in the school cafeteria. The booths feature games, food and information about the school organizations. Cindy Myatt is the general booth chairman.

On Wednesday in GCHS South auditorium, beginning at 8 p.m., the Advanced Speech Classes of North under the direction of Dr. Goni Michaeloff will present the musical comedy "A Funny Thing Happened on the Way to the Forum," followed by the crowning of the Queen. The same program will be repeated on Thursday.

Driver charged

Robert Bishop, 28, of East St. Louis, was charged with leaving the scene of an accident after his auto allegedly struck the parked car of Robert McKenzie, Brooklyn, parked in the parking lot of Corral Liquors, 3304 Nameeki Road, at 8 p.m. Saturday.

Bishop's auto was stopped a short time later in Venice by Venice police and Bishop was brought to the Granite City police department.

McKenzie alleged a man pointed a shotgun at him and three persons in his auto as he returned to his car from the store. Bishop said he was carrying an umbrella at the time.

Bishop was released after posting his driver's license for bond.

List winners in pumpkin contest

Tia Toth, a student at Granite City High School South, was declared the winner of the Jack-O-Lantern contest after judging Friday.

The contest, in which high school students carved and decorated pumpkins for Halloween and displayed them in downtown store windows, was sponsored by the Downtown Granite City Merchants' Association.

Originality and creativeness were used as the basis for judging. The Jack-O-Lanterns were designed, carved and decorated under the supervision of Eugene Alassi, art consultant for the Granite City public schools.

Other winners from GCHS South were Ron and Don Briggs, John Scarsburgh, Sandy Parks, Brenda Varner, LaDonna Lovell, Cindy Robinson, Frank Greenwald and Kimm Taff.

GCHS North winners were Richard Baur, Loretta Schaefer, Kerry Whalen, Kenny Cooper, Dave Dallas, Anna Stomum and Ron Steigemeier.

Food is stolen

A ham, eight cans of soup, chicken legs, milk and three chickens were stolen from the home of Roy Shambaugh, 2226 Edna St., it was reported at 10:20 a.m. Saturday.

MARRIED. Navy Seabee and Mrs. Steven Tracy Edwards, whose wedding took place in Hot Springs, Ark., at the home of the groom's brother-in-law and sister, Mr. and Mrs. Edgar Ragsdale. She is the former Miss Sue Ellen Everts, a daughter of Mrs. Christine Everts, 2805 Maryville Road, and the late John Everts.

Edwards-Everts wedding

Miss Sue Ellen Everts and Navy Seabee Steven Tracy Edwards were married at 2 o'clock on the afternoon of Aug. 31 in the home of the groom's brother-in-law and sister, Mr. and Mrs. Edgar Ragsdale of Hot Springs, Ark.

The Rev. Lester Bates, performed the double ring ceremony. The bride is a daughter of Mrs. Christine Everts, 2805 Maryville Road, and the late John Everts. Parents of the groom are Mr. and Mrs. George Edwards, 3011 Kirkpatrick Homes.

For her wedding, the former Miss Everts chose a blue crepe dress fashioned with a white lace yoke and sleeves. She wore blue carnations in her hair to hold in place a short veil and carried a nosegay of blue and white carnations.

Maureen Holst weds Rev. Harlon D. Keel

An out-of-town wedding of interest here was that of Miss Maureen Kay Holst, a daughter of Mr. and Mrs. Floyd G. Holst, 613 Ridge Ave., Festus, Mo., and the Rev. Harlon D. Keel of Camden, Ark., a son of Mr. and Mrs. Harlon B. Keel, 2544 Stratford Lane.

The ceremony took place Sept. 28 at the Calvary Assembly of God Church in Festus. The Rev. Wayne Danner performed the double ring service at 7 o'clock in the evening before an altar banked with bouquets of white gladioli and multi-colored daisies.

A program of nuptial selections was furnished by organist Mrs. Faith Bellinger and soloist Mrs. Joyce Ashby, a sister of the groom.

For her wedding, the former Miss Holst chose a long chiffon over satin gown made in a Victorian style. The Empire bodice was appliqued with lace motifs, which were repeated on the slightly gathered skirt and the cuffs of the long sleeves.

She wore a mantilla veil, bordered with wide scalloped lace, held in place with a lace headpiece. Her bouquet was an arrangement of miniature carnations, yellow roses and baby breath.

Mrs. Barbara Holst, a sister-in-law of the bride, served as matron of honor. The bridesmaids were Mrs. Donal Ferguson, Miss Jeannie Cash, Miss Brenda McQuillan and

Miss Jackie Holst, the bride's cousin.

They selected long gowns of floral organza over blue taffeta designed with Empire bodices, scoop necklines and long sheer sleeves, accented with decorative blue trim.

Pastel colored daisies and baby breath were worn in their hair and each attendant held a bouquet of daisies and baby breath.

The flower girl, Tammy Duncan, was dressed in a blue and white frock similar in style to the bride's gown.

Dale Holman served as the ringbearer.

Attending the groom as best man was Kevin Joyce. Groomsmen and ushers included Terry Holst, a brother of the bride, Ronnie Ashby, the groom's brother-in-law, Tony Stadjuhar, Danny Malone and Randy and Bobby Bollinger, cousins of the groom.

After the church rehearsal a dinner was served to the bridal party in the church fellowship hall.

The reception was hosted at the E&B Hall in Festus.

The bride is a graduate of Festus High School. Her husband is an associate pastor at the Calvary Assembly of God Church in Camden, Ark., where the newly married couple is residing.

THE REV. AND MRS. HARLON KEEL, who were united in marriage at the Calvary Assembly of God Church in Festus, Mo. The bride is the former Miss Maureen Kay Holst, a daughter of Mr. and Mrs. Floyd G. Holst of Festus.

Lake School open house Tuesday

Lake School will hold its annual open house program for parents and friends from 7 to 8 p.m. Tuesday.

Plans for the event were reviewed last week at an executive board meeting of Lake PTA, Mrs. Dorothy

Phelps, president, was in charge.

Included in tomorrow evening's program will be demonstrations at the school's new learning center, presented by Phyllis Wiggins, director, and a gymnastic exhibition in the gymnasium under the leadership of Jan Mehelic, physical education instructor.

School Nurse Nancy Graf will measure the blood pressure of visitors in a special display area, and a sales booth with gift items also will be featured. All proceeds from the latter project will be used for PTA activities.

Mrs. Phelps also announced the winners of a PTA-sponsored candy sale.

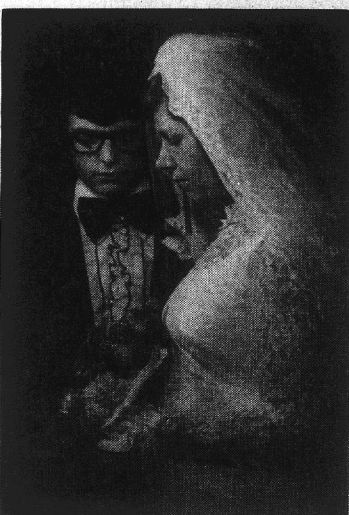

Contest winners are: Kindergarten—third grade—Billy Rozell, first, and John Withers, second; fourth—sixth grades—Lila Hudson, first, and Jeff Phelps and Kenneth Duncan, tie-second; and Special Education—Tammy Rigney, first, and Eric Welker, second.

Cash awards for a Halloween Safety Poster contest will be furnished by the PTA. The contest is under the supervision of Bill Novinger, special education teacher.

MR. AND MRS. RALPH E. WELL, whose wedding took place at St. Paul United Church of Christ, near Edwardsville. The bride is the former Miss Almeda Lahr, a daughter of Mr. and Mrs. Guy M. Lahr Jr., 330 Lennox Ave.

Almeda Lahr becomes Mrs. Ralph E. Well

Miss Almeda Marie Lahr, a daughter of Mr. and Mrs. Guy M. Lahr Jr., 330 Lennox Ave., and Ralph Edward Well, son of Mr. and Mrs. Elroy Well of Glen Carbon, exchanged wedding vows Oct. 19 in an evening ceremony at St. Paul United Church of Christ, near Edwardsville.

The Rev. Glenn E. Davis officiated at the double ring candlelight service at 7 o'clock.

Nuptial music included "For All We Know," "One Hand, One Heart," "With This Ring," "We've Only Just Begun" and "The Lord's Prayer."

Decorating the altar were fan shaped arrangements of Ti leaves, Birds of Paradise and yellow Fuji mums. Orange candles in branched candelabra and aisle hurricane lamps illuminated the sanctuary.

Escorted to the altar by her father, the bride chose a Spanish senorita-style gown of Chantilly lace. A high lace collar accented the satin bodice made with a scoop neckline and Empire waist.

The skirt was fashioned with an apron front and ruffled tiers sweeping backward to form a cathedral train. She wore a mantilla veil edged in matching lace.

She carried a white nylon lace fan festooned with tangerine carnations, yellow roses, baby breath, ivy and bronze pom poms, centered with a detachable corsage of brown cymbidium orchids.

In keeping with the Spanish style fashions used in the wedding, Miss Randall Lahr, a sister-in-law of the bride and matron of honor, wore an A-line gown of orange polyester.

Beige eyelet lace trimmed the skirt, neckline and cuffs of the long sleeves. She held an ivory lace fan adorned with yellow carnations, baby breath, bronze pom poms, ivy and yellow streamers.

The bridesmaids, Miss Sodonna Brister, Miss Janet Segar, Mrs. Janice Seymour and Miss Helen Hall, wore identically styled dresses in dark brown, avocado green, gold and caramel shades, respectively.

Tangerine carnations, baby breath and bronze pom poms, attached to ivory lace fans, were carried. Each attendant wore a mantilla headpiece.

Carrie Ruth Lahr, a niece of the bride, was the flower girl. She was dressed in a frock similar in style to the bride's gown. She carried a small Spanish treasure chest topped with yellow silk roses, ivy and yellow velvet ribbons.

Michael Dawson attended the groom as best man. Roger Well, a brother of the groom, Kenny

Robbins-Dykla nuptials at St. Mary's Church

The wedding of Miss Nancy G. Dykla and Robert L. Robbins was solemnized at 2 p.m. on Sept. 28 at St. Mary's Roman Catholic Church in Madison.

Rainbow colored bouquets decorated the altar for the double ring ceremony performed by the Rev. Sylvester Micek. Miss Karen Kalesti presided at the organ and played "If," "Ave Maria," "Love Story," "We've Only Just Begun" and "Sunrise, Sunset."

Parents of the bride are Mr. and Mrs. Thomas J. Dykla, 2129 Dawn Place. The groom is a son of Mrs. Mary Robbins, 1654 Second St., Madison, and the late Maurice E. Robbins.

A white silk organza gown fashioned with a lace bodice and long gathered sleeves was worn by the bride.

The semi-bouffant skirt extended into a cathedral length train and she wore a lace cap to secure a cathedral train, edged in matching lace. She carried a bouquet of white carnations and greenery.

Mrs. Phyllis Pickrel, a sister of the bride, was matron of honor. Mrs. Lynn Tryba, Mrs. Ellen Owca, Mrs. Rosemary McIntosh and Miss Beverly Bosworth served as bridesmaids.

Their long gowns were created of polyester in the rainbow colors of mint green, melon, blue, lilac and yellow and accented with white lace trim on the cuffs of the long sleeves.

Each attendant wore a picture hat and carried a bouquet of baby mums and daisy pom poms in a shade to match her attire.

Tammy Crider, the flower

MR. AND MRS. ROBERT L. ROBBINS. They were united in marriage at St. Mary's Catholic Church in Madison. The bride is the former Miss Nancy G. Dykla, a daughter of Mr. and Mrs. Thomas J. Dykla, 2129 Dawn Place.

Wahala-Crider ceremony

Miss Susan Lynn Crider, a daughter of Mr. and Mrs. Robert Crider, 14,460 Misty Meadows, Houston, Tex., formerly of Granite City, became the bride of Karl Michael Wahala in a ceremony performed Oct. 4 at the home of the bride.

The bridegroom is a son of Mr. and Mrs. Karl Wahala Sr., of Houston.

The bride is a graduate of Dulles Senior High School and is attending the Bryman School in Houston, where she is studying to be a medical assistant.

Her husband, a native of Germany, was graduated from Spring Woods Senior High School. Presently, he is serving in the United States Coast Guard.

After a two-year tour of duty, the bridegroom plans to enroll at Rice University on a scholarship grant and major in

electrical engineering.

The former Miss Crider is a granddaughter of Mr. and Mrs. Virgil Crider, 2830 Palmer Ave., and Mr. and Mrs. Durrell Justice, 30 Brantcliff Drive.

Her father is a former member of the Granite City Board of Education.

RIVER PIONEER HONORED. Herman T. Pott, center, chairman of the board of Pott Industries, has been given the Donald T. Wright award by Southern Illinois University in recognition of his contributions to the river industry. Dr. Andrew J. Kochman, left, vice-president and provost of SIUE, made the presentation. Charles Schweizer, executive director of the SIU Foundation at Edwardsville, is at right.

Honored for river industry contributions

The Donald T. Wright Award for contributions to the Mississippi River industry has been presented by Southern Illinois University at Edwardsville to Herman T. Pott, chairman of Pott Industries in St. Louis.

The award is in "recognition of his many contributions to the river industry," Dr. Andrew J. Kochman, SIUE vice-president and provost, said as he made the presentation. Kochman termed Pott the dean of the river industry.

The Wright award is named in honor of the late Donald T. Wright who for 43 years was editor and publisher of the Waterways Journal. It is given by the Department of Mass Communications.

Pott Industries, founded in 1933, now includes St. Louis Shipbuilding Co. and its affiliates, Gulf Mississippi Marine in New Orleans and its affiliates, United Barge Lines and Federal Barge Lines.

Larry Walton at Lackland

Larry D. Walton of Granite City has enlisted in the U. S. Air Force. He was guaranteed the job of munitions maintenance specialist prior to enlistment under the Air Force guaranteed jobs program.

Airman Walton departed for Lackland Air Force Base, near San Antonio, Tex., for basic military training after the enlistment ceremony. Following completion of basic training, he will attend a technical training school in the munitions maintenance field. He is married to the former Pamela Wells of Granite City and they have one child.

Information about enlistment in the United States Air Force may be obtained from Sergeant George Habbert at 1204 Niedringhaus Ave., phone 876-3225.

Pictures on all highway signs in state by Jan. 1

By MARY LOU MANNING
Press-Record
Springfield Bureau

Illinois motorists approaching a school crossing area are so warned by a pictograph depicting a book-carrying male and female student crossing a street.

Another merely shows the silhouette of a yellow background and denotes school zone.

These pictographs — more commonly known as symbol signs — are emerging throughout the state in compliance with regulations set by the Federal Highway Administration.

According to the statutes, standard street and highway signs must be converted over to the symbol signs by Jan. 1, 1975.

There are four categories of signage, characterized by the use of a realistic drawing of the situation. They include: regulatory, warning, guide and school.

"In the categories of warning and regulatory signs, we are in about 90 per cent compliance, while school signs are nearly 100 per cent," explains Bob Jones of the Department of Transportation's Division of Highways.

"We have put special emphasis on getting the more important ones up first," Jones said. The school signs were the first erected, and an attempt was made to get them all up before the start of this school year.

Heretofore, the policy for putting up the new symbol signs was to install them only when the old ones needed replacement. Instead, they are now going up when the money is available to purchase them.

"The problem is getting adequate funds," said Jones. "We would like to be in complete compliance by the first of the year, but that depends on the amount of commodity funds and manpower available."

Sign installation is being done by district traffic forces who also have other seasonal duties. For example, one of their prime concerns this time of year is stripping the highways.

Jones points out that the

DOT's responsibility in symbol sign installation is limited to state highways. City and county roads fall within the realm of local agencies.

"I would estimate that these agencies are in about 70 per cent compliance," he said.

"We are encouraging them to make use of the federal monies available through the Highway Safety Fund, which cannot be used for state signage."

The DOT purchases the bulk of its signs from the Pontiac Correctional Center. Old signs, if usable, are salvaged and refurbished.

The symbol system, which will be employed nationwide, is now being used in Europe, where it helps hurdle the numerous language barriers that exist from country to country.

Closer to home, Mexico is also a highway symbol-user.

Promoted to sales manager

Winston C. Rumpfelt, 2021 Clark Ave., Granite City, has been promoted to sales manager in Prudential's Alton District agency. He formerly was an agent in the company's Granite City district.

District Manager William F. Curcuro Jr., whose office in Alton is located at 2604 College Ave., said that Rumpfelt began his Prudential career in May 1972. He topped the \$1 million sales mark during 1973.

Under a U. S. government education program, he completed high school courses while still a member of the U.S. Army in Germany. He received his diploma in 1955 from Granite City High School. Following his military service, he continued his education at Washington University.

Rumpfelt and his wife, Joan, are the parents of a six-year old daughter, Sabrina.

Thanksgiving be observed according to federal statute. Other holidays will be as follows: New Year's Day on Jan. 1, Good Friday on Friday immediately preceding Easter Sunday, Fourth of July and Christmas.

Vacation periods for full-time employees are based on the number of completed fiscal years of work. The city's fiscal year is from May 1 of any given year to April 30 of the following year.

After one year of employment an employee will receive one week of vacation; after two years, two weeks; after five fiscal years, three weeks; and after 15 years, four weeks vacation.

Vacation periods can not be accumulated from one year to the next, according to the bill. The council approved the expenditure of \$34,000 for maintenance of city streets between Jan. 1 and Dec. 31, 1975, to be paid from motor fuel tax funds.

Street lights were approved at the west end of the alley at Highland Avenue and Sken Street near Triangle Park in the alley behind the Croatian

Home on Tenth Street, and in the alley near the intersection of Elizabeth Street and McCambridge Avenue.

The council approved the sale of property at 1603 Second Street to John E. Loersch for \$511. The council advertised for bids on a 25-foot lot with a condemned structure on it next to Loersch's home. Loersch submitted the only bid. Loersch agreed to removing the condemned structure.

In response to a question by Fourth Ward Alderman Mike Sikora, Mayor Mike Sayak assured Sikora a structure at 815 Iowa St. has been condemned and will be demolished. The council also declared property at 918 Franklin Ave. unsafe, and unless repaired will be condemned and demolished.

Mayor Sayak told Council members that he had received a letter from the Nu Fuel Co. of California informing him that tests of Madison's landfill property, formerly the Mal Landfill, to determine the feasibility of gas production, will begin within the next four months.

The firm has developed a process for extraction of gas

from landfills and conversion of it into a marketable product. Under an agreement with the city, the company has 18 months in which to make tests to determine if enough gas exists to justify construction of a \$750,000 processing plant.

The council approved a request by the Knights of Columbus for permission to hold a candy sale in the city on Nov. 1 and 2. The sale will be for the benefit of retarded children. A letter from the Cystic Fibrosis Foundation banking the council for allowing it to hold a drive for funds in the city was read by John Bellico, city clerk.

In other action, the council approved Gordon Freeman, 96 Grenzer Homes, as an auxiliary policeman, and approved expenses of \$200 each for three firemen, Charles Voloski, assistant fire chief; Elmer Smith captain, and Andrew Economy to attend a fireman's convention in Decatur, Ill., Nov. 1 through Nov. 3.

Authority was given Superintendent of Streets Smith to advertise for bids on a front loader truck with a greater capacity than the existing one, which is 15 years old, and for Chief of Police Frank Dutko to advertise for bids on two new 1975 model police cars.

A discussion was held by the

Mayor and council on enforcing a one-hour parking regulation from 6 a.m. until 6 p.m. on Madison Avenue, from Second Street to 14th Street.

"I have had complaints from several merchants that people park their cars and leave them all day. We will put up new signs and have the police start marking tires and ticketing those who overpark," Sayak said.

"We also are going to request permission from the state to have the traffic signal at Sixth Street and McCambridge Avenue blink a yellow caution signal after midnight," he said.

"I would like to remind the council so the aldermen may talk to the people and request that any Halloween trick or treating be limited to a child's own neighborhood and only on Halloween night," Sayak said.

"We will have all our police cars on patrol, with additional help from auxiliary police, including several unmarked cars to protect the children and prevent vandalism," Sayak remarked.

The council approved \$36,617 in bills for the period of Oct. 8 to Oct. 22.

WANTED!

REWARD!

We'll pay you
\$1.10 for every
\$1.00's worth
of pennies

Abe Lincoln where are you? We need pennies for our customers and we need 'em now. That's why we will pay a 10% reward for every 100 pennies you exchange for bills or silver.

Pennies are still in very short supply. Every working day the U. S. Mint is producing about 35 million pennies and can't keep up with the need. It is an expensive process and costs we taxpayers millions.

Because of the shortage, the Federal Reserve Board has limited the allocation of pennies to banks . . . Banks, in turn, have had to limit their distribution among merchant customers, which has slowed and impaired their service to you, the consumer.

We can all help . . . by rounding up all the pennies we have stashed around the house . . . in piggy banks, pickle jars . . . whatever, and bringing them to First Bank to get them back in circulation. The more you bring in . . . the greater your reward!

Abe Lincoln, please come home. We need you!

Offer good for a limited time only.

Legislature campaign helping Gov. Walker gain party leadership

By KEN WATSON
Press-Record
Springfield Bureau

There's already one sure winner in the November election and his name isn't even on the ballot.

It's Gov. Dan Walker. Statehouse Republicans and anti-Walker Capitol Democrats concede privately that the governor is going to emerge from the election with enhanced prestige.

It is generally conceded that

the Democrats are going to win big in Illinois this year, and Walker has been sufficiently active personally and through his staff to make a strong claim for some of the credit.

Actually, political professionals agree that events beyond the state level have set up 1974 for the Democrats and that an anti-Republican tide might be flowing regardless of whatever role Walker might have played in the campaign.

Were the tide flowing the

other way, one could be sure that Gov. Walker would be maintaining a low profile and shunning any association with a Democratic defeat. But that's politics, and Walker has already proven himself one of the most skillful practitioners of the art.

He has been shrewd to concentrate his campaign efforts on certain key legislative races, both in Chicago and Downstate. No one would suggest that U. S. Sen. Adlai E. Stevenson or State

Treasurer Alan J. Dixon are in need of, or desirous of, Walker's help in what appear to be easy runs for re-election.

But the legislature is another matter. Some little-known legislative candidates can benefit from joint appearances with Walker, who can usually draw a crowd.

In this year of apparent unprejudiced voter apathy, a candidate will appreciate any audience he can get.

Campaigning in legislative

contests not only provides Walker another forum in which to take his case to the people, but it builds a base on which he can claim a significant role if, as expected, Democrats take control of both of the Illinois House and Senate from the Republicans on Nov. 5.

With Republicans holding onto single votes in the chambers, this goal is far from formidable. Gov. Walker has basically been concentrating his efforts in about half-a-dozen House or Senate races in

Chicago and about a similar number Downstate.

In Central-Southern Illinois, he has made a strong pitch on behalf of Democrat Vince Demure of Carlinville, who is challenging Republican incumbent A. C. "June" Bartulis in the 4th District.

This is one district where Walker has personally gone in and attacked the legislative voting record of a Republican senator.

Bartulis has accused Walker

of "a lot of gall" and contends he fails to mention that on some controversial bills, most Democrats voted for them as well as Bartulis and other Republicans.

Publicly, Sen. Bartulis contends that Walker's intervention will do him (Bartulis) more good than harm, but some other politicians aren't so sure.

Whether the governor is or is not personally popular is a much debated topic beneath the Statehouse Dome. There is, however, a predominant view that the farther south he goes in Illinois, the higher his popularity, stemming from that famed walking tour in the 1972 campaign.

It is well known in Springfield political circles that some Democrats are shunning Kane as a protest against Walker.

But regardless as to how some of these individual races turn out, it is considered virtually certain that Democrats will win legislative control.

It would be difficult for Walker to prevent Dan Walker from claiming—and receiving—much of the credit.

Hope to reduce tooth decay by half

Experiments with monkeys indicate immunization against dental decay can reduce caries (cavities) by as much as 52 per cent, according to Arthur Bahn,

chairman of the department of microbiology of the Southern Illinois University at Edwardsville School of Dental Medicine.

Bahn gave a lecture concerning his research at a seminar last week in Washington, D.C. The seminar is one of a series being sponsored by the National Institute of Dental Research of the National Institutes of Health.

State teacher of year banquet on Wednesday

Sixty teachers, representing "the best in Illinois education," have been nominated by their counties for the title of 1975 Illinois Teacher of the Year and will be honored this week.

The selection committee consists of representatives of the Illinois Education Association, Illinois Federation of Teachers, Illinois Association of School Boards, Illinois Congress of Parents and Teachers, Illinois Retired Teachers Association, Illinois Principals Association and Illinois Association of Student Councils.

Candidates are chosen on the basis of ability to inspire love of learning in children, philosophy of education, community involvement, dedication to their profession, innovative ideas and style of teaching, and membership and leadership in professional organizations.

Years of teaching experience vary. Mrs. Mary Louise Miller of Georgetown, a 7th grade language arts instructor, has been teaching for 47 years; Ruby Rameck of Springfield, special education teacher at Benjamin Franklin Middle School, is in her third year of teaching.

The state's top teacher for 1975 will be announced Wednesday at a banquet at the Holiday Inn East in Springfield. Four runners-up will also be announced.

Each experiment on rats took 100 days to complete, and the experiments were continued over a three-year period. Two experiments have been completed with monkeys, using animals at the Abbott Laboratories in Chicago. The research and feasibility studies are producing encouraging results, Bahn said.

'74 show season ends for Trailriders Club

Miss Patty Bryarly captured first prize in three classes to take top honors in the Trailriders Saddle Club's final show of the 1974 season held last week at the club arena on Chouteau Slough Road, near Rock Road.

Miss Bryarly won top awards in the senior western and senior bareback pleasure events and in the mares' haltering class. All events were won riding Wimpy's Maybell.

Other first place winners were Dawn Stuckwisch, pony pleasure on Tonka; Ernie Mills, haltering, geldings and stallions combined, and senior barrels, on Master Heyboy; Sam Warner, gaited country pleasure, on Black Beauty.

Ricky Miller, junior poles and the flag race, on Copperhead; Leon Weldon, senior poles, on Fort Cody; Jeanna Weldon, junior bareback pleasure, riding Oke Jr.; Becky Stuckwisch, junior western pleasure, on Sali's Peach Brandy; Leon Eason, junior barrels, on Ebony; George Lindley,

foxtrotting, on Moonlight; Don James Jr., pony barrels on Nellie; and Mike Bowman, pony poles and novelty race, riding Charlie.

Undergoes surgery after accident

Hezzie Todd, 50, of 4827 Warnock Ave., was reported in good condition Friday at St. Elizabeth Hospital where he had undergone emergency surgery Thursday for injuries suffered in an accident at the East St. Louis and Interurban Water Co. plant at 2300 Logan Ave.

Todd reportedly was operating an electric pipe threading machine at 5:15 p.m. Thursday, when his left sleeve became caught in a cutter handle, pulling him into the machine.

Lottery sales outlets being expanded

By GARY SCHNEIDER
Press-Record Staff Writer

"The Illinois state lottery is in its infant stage, but it seems to be working," Tom Tiernan, District Eight manager for the lottery, told members of the Granite City Optimist Club at the club's weekly meeting Thursday in the YMCA.

Tiernan said his district, which includes Madison, St. Clair, Bond, Clinton, Washington, Monroe and Randolph counties, is increasing its sales network rapidly.

He explained that more than 520 stores now sell lottery tickets and he hopes to add several hundred more in the near future. "We are also adding more salesmen every day," he commented.

The speaker disclaimed rumors that Chicago area residents have a better chance of winning than Downstate residents, saying that in 11 weeks, \$280,000 in prize money has been paid out of his seven-county area.

"Percentage-wise, we are having more winners in our district than any other district in Illinois," Tiernan said. "Of 55 millionaire game qualifiers in the state for the Oct. 3 drawing, this district had nine. We have had four \$10,000 winners, several \$1,000 winners and several thousand \$20 winners," he continued.

The second state millionaire selection is planned Nov. 13. He emphatically denied there are any political influences in the sale of tickets, the determining of winners or the hiring of personnel. "It is a model state lottery," he told the Optimist members.

"If political plans get into the lottery, it would ruin it. The lottery was formed rapidly, but with professional people."

"We are the only professional sales operation of any state lottery that is not politically motivated, to the best of my knowledge, and I am very proud of that," the speaker said.

Tiernan explained he has 23 years experience in sales and advertising, and his district's three salesmen have degrees in marketing or the equivalent of five to 10 years of marketing experience.

"Even our storekeepers selling tickets must have background experience in accounting, the keeping of logs and records, and other important qualifications," he said. The two secretaries for the

district have passed civil service examinations and have lengthy business backgrounds. "They are well qualified," he said and added, "Within the lottery, there are no political affiliations I know of. You've got to be qualified."

Tiernan explained the basic workings of the lottery, saying that each week his office receives 600,000 lottery tickets at "ticket central" in East St. Louis.

"The tickets are kept in a vault until they are distributed to network banks, which he said are called "papa banks." Among the six network banks in the region is First Granite City National Bank.

The network banks then send the tickets to participating banks where authorized sales agents pick them up for sale.

"Ticket sales start every Tuesday and conclude at noon the following Tuesday. All unsold tickets and all money collected must be returned to the banks by noon Tuesday, when the network banks pick up the unsold tickets and money."

All must be returned to ticket central by noon Wednesday and are forwarded to Springfield at that time.

"Due to postal regulations, we do not use the mails for anything. We do it as in horse-and-buggy days."

"We even have to send promotional material by our salesmen by car," the speaker noted.

United States postal regulations prohibit mailing of any materials which promote or advance forms of gambling, including lottery tickets. For that reason, this article will be replaced by other news material in the copies of today's issue sent to mail subscribers.

A similar replacement procedure is followed each Thursday with the front page listing of that day's winning lottery numbers. The lottery information appears only in those copies destined for direct sale, rather than forwarding through the mail.

Drawings are held each Thursday morning at differing areas of the state and this week's drawing is to be in Fairview Heights at the grand opening of the St. Clair Square shopping center.

Tiernan said about 10,000 persons are expected to be present, including state lottery officials and possibly Gov. Dan Walker.

Winners of \$20 prizes may collect the money at the location where they purchased their tickets.

Winners of more than \$20 must file a claim at the area office at 1209 N. 9th St., East St. Louis.

He said no money is kept at the area office and that the state delivers checks from Springfield to winners. "We must admit, there is a delay in getting checks, but everyone gets his money," the lottery official said.

He said he hopes a claim center can be opened in the near future in Alton.

About 445,000 lottery tickets were sold in this district during the first week of the lottery and that number slipped about 22 percent to 346,000 tickets for the second drawing.

Since then, ticket sales have increased about 12 percent, "so still are about 10 percent behind the first drawing. But sales are increasing," Tiernan related.

He explained that 50 percent of the money spent on a 50-cent lottery ticket is used for prizes and selling fees.

Another 45 percent goes directly into the general revenue fund of the state and five percent pays the salaries and expenses of the lottery personnel.

The five percent commission that selling businesses receive and the one-half of one percent the banks receive are deducted from the 50 percent prize portion.

In effect, 44.5 cents of each \$1 spent on lottery tickets is awarded to winners.

Illinois lottery tickets have five two-digit numbers and two sets of two three-digit numbers. Each set is a different game.

Persons matching three of the two-digit numbers with the numbers announced each Thursday win \$20 and those matching four of the two-digit numbers win \$100.

Persons matching all five of the two-digit numbers win \$5,000. The game using the two-digit numbers is the Weekly Lotto.

At drawn each Thursday are three three-digit numbers which are used for both the Bonanza and Millionaire games.

On the tickets purchased are two three-digit numbers in light green boxes for the Bonanza game. If the numbers match two of the three three-digit numbers drawn, the ticket

holder qualifies for the weekly Bonanza drawing the next week.

Bonanza qualifiers may, if they wish, ride free in a special state "showmobile" to the site of the next week's drawing. If they do not wish to go, the state will represent them.

At the Bonanza drawing, they may win prizes of \$300,000, \$50,000, \$10,000 or a guaranteed minimum of \$1,000. Anyone qualifying may wait up to 52 weeks after winning before taking his or her ticket to the claim center and will be entered in the Bonanza drawing following the date on which the qualifying ticket is submitted to the claim center.

All winning tickets are good for one year after the drawing for which they were first purchased.

The third game is the Millionaire game, in which the two three-digit numbers in orange boxes at the bottom right of the ticket must match two of the three three-digit numbers drawn in order to qualify.

Millionaire qualifiers also will be transported, if they wish, to the next drawing, where they may win \$1 million, \$100,000, \$10,000 or a guaranteed minimum of \$1,500. Millionaire drawings are held each time another 30 million tickets have been sold.

Millionaire game qualifiers may take their tickets to the claim center any time within 52 weeks of the initial drawing and will be entered in the next Millionaire drawing.

Tiernan said the state is planning a special Super Bowl drawing, in addition to the regular drawings. It will give ticket purchasers an extra prize which they may win.

He said during the Nov. 7, 14 and 21 drawings and the Dec. 5 drawing, qualifiers will be selected for a special extra drawing in December.

Twenty-five tickets will become winners and each winning ticket will qualify one couple to attend a special state-sponsored trip to the 1975 Super Bowl football game.

Included will be 50-yard-line expenses paid, including a hotel room and meals and \$100 spending money for each couple.

The Super Bowl drawing will be easier to win than either the

Bonanza or Millionaire games. An extra set of three-digit numbers will be selected and persons matching any two of the four three-digit numbers on their card (both in orange squares, both in light green squares or one in each color square) will qualify for the final Super Bowl drawing.

Winners not wishing to attend the Super Bowl may select a \$1,000 prize instead.

Tiernan invited all Optimists and members of the public to attend Thursday's drawing in Fairview Heights to better understand how the drawings are conducted.

Utility service 21-day discount

A revised order issued by the Illinois Commerce Commission will make it easier for Illinois telephone and gas and electric customers to pay for utility service, Marvin Lieberman, chairman of the commission, said Friday.

The order revised commission regulations for utility companies' handling of such matters as requirements for establishing credit, the discount period for paying bills, service cut-off and related activities. The order, originally set forth June 26, 1974, was appealed in Sangamon County Circuit Court by the Illinois Telephone Association and remanded to the commission for further findings of fact which the court held were not set out in the order as required by the Public Utility Act.

The revised order contains the findings of fact required by the court and reaffirms the original order in virtually all of its provisions.

One exception is the amount of time allowed for non-residential customers to pay their bills and take advantage of the discount.

The original order required companies to give all customers, residential and non-residential alike, 21 days for the discount period.

The 21-day period is retained for residential customers but the time is reduced to 14 days for business telephone customers and to 10 days for business customers of all other utilities.

The new order will go into effect Dec. 1.

EXPLAINING STATE LOTTERY. Tom Tiernan, district manager of the Illinois state lottery, discusses operations in this area for members of the Granite City Optimist Club Thursday. He described the lottery as in an "infant stage," but commented, "It seems to be working." At left is Frank McGinnis, Optimist president, and at right is Arthur Roseman, program chairman. WATCH FOR ROTARY - OPTIMIST CAMELOT — 1975

Inflation hits cities—Howlett

Leadership in the fight against inflation and unemployment must come from government at the grass roots. Michael J. Howlett, secretary of state, told the Illinois Municipal League today in Chicago.

Howlett was the guest speaker at the League's first annual convention luncheon in the Conrad Hilton Hotel. He said city and village governments face inflation problems as

GRANITE CITY PRESS-RECORD
Mon., Oct. 28, 1974 Page 12

serious as consumer inflation. "Food, housing and transportation prices have gone up so rapidly that effects of inflation are obvious to every working man and housewife," said Howlett.

"But the goods and services

purchased by municipalities have gone up faster than consumer prices. While the Consumer Price Index has gone up 31 per cent in the last six years, the Illinois Municipal Index has gone up 45 per cent.

"The President has announced a national plan against inflation which has drawn mixed reactions. No matter what Congress does with its proposals, federal government cannot stop inflation, or unemployment, by itself.

"Mayors, village presidents and municipal officers must develop their own programs —

to save the taxpayers' money, to encourage industry and create jobs. If local governments had taken stronger leadership in the late twenties and early thirties, the Great Depression might have been a different story.

"As secretary of state, I am ex-officio chairman of Illinois' new Vehicle Recycling Board. We are working on a program to help cities and villages get rid of junk cars. We want this program to increase productivity and fight inflation.

"The legislature gave our board authority to approve

subsidies to municipalities where necessary to finance their costs for junking and recycling abandoned cars.

"At our first meeting, last month, our executive director, Steve Sargent, a member of the board, said city officials will be around to see me if and when you need to get into the subsidies.

"With junk cars bringing \$45 or so at the scrap dealer's yard, it may be profitable for wreckers to pick up abandoned cars and take them to scrap processors with their own resources.

"But when the same wreck is only worth \$5 at the yard, as it was two years ago, it may require a bounty, as some

eastern states now pay, to speed up collection of abandoned cars for recycling.

"The need for a bounty would diminish when scrap prices rise, and would increase as scrap prices decline. If we set aside \$2 from the license fee when a car is first purchased, it wouldn't take long to build up a fund to subsidize moving abandoned cars in the lean years.

"Whatever we come up with, we want to minimize the cost to municipalities of retrieving the abandoned car and disposing of it — and maximize the municipalities' income from sale of the junk.

"Any program now undertaken at any level of

Burglary charge

Mike John Jakick, 30, of 2233 Waterman Ave., was arrested by Granite City police last week and charged with burglary in connection with the alleged theft of several weapons on Oct. 16 from the home of Harold Siebert, 2948 Pershing Blvd.

Taken at that time were three shotguns with a total value of \$420, an automatic rifle valued at \$70 and a gun case valued at \$7. Authorities report they have recovered all but a .410 gauge shotgun.

government should be measured against its potential impact against inflation and unemployment."

Drug film at Kiwanis

"11:59: One Minute to Choose," a film that emphasizes the dangers of drug abuse was shown to the Breakfast Kiwanis Club Thursday at Charlie's Restaurant.

The film was presented by Sgt. Gary Burns, head of the Madison County Sheriff's Department Narcotic Squad as part of the continuing education program aimed at stopping drug abuse.

Next Thursday's meeting will be a general discussion led by Sgt. Burns on the drug problem, which is felt to be an increasing menace to children and young adults in particular.

Marriage licenses by county

BURN 'VICTIM' is examined and given first aid treatment by Dr. F. B. Dioneda, a local physician, who assisted St. Elizabeth Hospital in a mock disaster drill. Mrs. Wilma Jones, LPN, is taking notes. The "patient" is Shelly Boyd, a high school student. "Casualties" were brought to the emergency room at 9:30 a.m. Thursday by ambulance and dispatched to the areas designated for the treatment of their particular type injuries.

(Press-Record Photo)

INJURIES PROVED 'FATAL' to casualty Thursday in a mock disaster drill at St. Elizabeth Hospital under the direction of Bernard T. Planey, director of safety and security. Left to right, clockwise around the "casualty," Both Squires, are: Dr. Athanasios Nicolaides; Miss Brenda Kilgus, respiratory therapy student; Miss Marsha Kruckeberg, respiratory therapy staff; Father James Zaumeyer, hospital chaplain and director of pastoral care, and Mrs. Charlotte Quigley, RN.

(Press-Record Photo)

North to take part in college night on Nov. 4

North High School will hold "college night" with South High School again this year, it was announced today. The program, with special performances by students of South High School, will begin at 7 p.m. on Monday, Nov. 4.

Students and parents will have the opportunity to ask representatives of colleges about college academic programs, social and sports programs, college size, atmosphere, admission requirements, costs, housing, financial aid and scholarships. While invitations are extended to all high school students and their parents, the North guidance staff highly recommends that junior and senior students and their parents attend the program if there is even a slight possibility that the student might attend college.

Gathering and comparing information from various schools will aid any choice-making of the student, William Breidenbach of the GCHS North guidance department commented.

Youngsters make masks for parade

Students of the sixth-grade class of Kenneth Cann at Webster School observed the Halloween season last week in a project in which the youngsters made their own masks, donned costumes and toured the other rooms of the school.

The masks were made during a two-weeks project, using shredded paper, yarn and other materials, Cann reported. He said the children provided their own costumes for the Halloween observance. Thirty-three students participated in the parade through the school.

1973 auto stolen

The 1973 auto of Eddie Cathey, 2155 Washington Ave., was reported by the owner at 9:11 a.m. Thursday as having been stolen from where it was parked in front of his home.

'VICTIM' OF MOCK EMERGENCY DRILL at St. Elizabeth Hospital is diagnosed by Dr. Geoffrey Miller as Mrs. Roxie Devine, LPN, takes notes. The "patient" is Michael Siebert, student body president at Granite City High School South.

(Press-Record Photo)

'Witches Watch' set to deter pranksters

As an added deterrent against Halloween pranksters, the ALERT Club, a group associated with the Granite City Civil Defense organization, will work closely Halloween night with area police departments, it was reported today.

The ALERT (Affiliated League of Emergency Radio Teams) group consists of Citizen Band radio operators. Jess Ledart, team president, said members have agreed to patrol and observe certain areas of the community in a concentrated effort to prevent vandalism caused by pranksters bent on more serious forms of mischief than the usual trick or treaters.

During the "Witches Watch" program, the ALERT members will work hand-in-hand with local police, reporting incidents involving wanton vandalism to police headquarters. Regular patrolmen will handle any situation from that point, the ALERT spokesman said.

problem in previous years. Cars have been assigned to various areas of Granite City, Pontoon Beach and Mitchell. The ALERT club is working with officials of the Madison County Sheriff's office, Pontoon Beach and Granite City police departments.

Calls from reporting "watchers" will be routed through the civil defense radio network and relayed to police headquarters, Ledart said. This is the fifth consecutive year the local ALERT group has organized a "Witches Watch" program in the community.

Team members will be on duty from dusk until 10 p.m., Ledart advised.

Driver injured

James Laswell, 42, Edwardsville, was reported injured at 2:46 a.m. Friday when the auto he was driving struck a tow truck pulling another auto from a ditch at East Chain of Rocks and Sand Roads, Chouteau Township. Robert Johnnesse, New Douglas, the truck driver, escaped injury.

THE SCHERMER BULLETIN

Would you believe that November is almost here? Friday is the first. Before you know it Thanksgiving will be here; then Christmas and the New Year will be upon us.

Thursday night is Halloween; we still have a good supply of goodies for your goblins.

We have been trying to advertise items that will help you with your food budget. Turkey parts, Riblets, Fried Chicken; fish patties; all of these can help stretch your food dollars.

All of our coffee prices were reduced 5¢ per lb. this morning. This is a step in the right direction.

Cooking oil, lard, margarine, etc., are at very high prices. This means that the smart housewife will plan her menus so as to use as little of these items as possible. The American Diet has been criticized as having too much fat in it anyway; so, do less frying and more baking, stewing, etc. The outlook for next year doesn't appear to be any different than right now; so it behooves all of us to learn how best to live with the conditions that exist right now. Talk to us about your particular problem. We'll be glad to help.

Private Gargac computer trainee

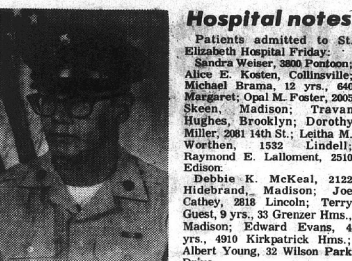

Army Private Laurel Gargac has graduated from Fort Leonard Wood Basic training and has been assigned to Fort Monmouth, N. J., to continue training in computer technology.

He is the son of Mr. and Mrs. Stephen Gargac, 3024 Colgate Place. Pvt. Gargac won Silver Medal awards and was named expert in the fields of rifle and hand grenade usage.

Attending the graduation ceremonies were the servicemen's parents, his sisters, Desiree and Angela Gargac, and his grandmother, Mrs. Elizabeth Gargac.

Fourth burglary

George Gibson, 2821 rear Cayuga St., reported at 8:20 p.m. Saturday that his home had been burglarized for the fourth time in three weeks. Entry was gained by reaching through a previously broken window and unlocking the window latch. Taken were a bottle of liquor and a quart of a soft drink.

PVT. LAUREL GARGAC

Parties Thursday at Nameoki School

Halloween parties are planned Thursday at Nameoki School, with classes to be dismissed at 11:30 a.m. to allow pupils to go home, change into costumes and return to the school by 12:45 p.m., it was announced today.

Vincent Rogier Jr., PTA president, said parents are invited to view a "pop" parade in the Nameoki gymnasium, starting at 1:15 p.m. Thursday.

News Notes

Granite City High School South students scored 78 points, Incarnate Word-89, and Lindbergh High, 151 in televised Scholar Quiz academic competition Saturday afternoon. Lindbergh advanced to quarterfinals slated for Nov. 30.

After Nov. 17, secondary schools must provide parents a chance to review their children's cumulative school records.

U.S. Attorney Henry A. Schwarz of the eastern district of Illinois said Friday there is a deficiency of more than \$1 million in payments to the Illinois Municipal Retirement Fund by the East St. Louis school district. Instead of financing pensions for non-teaching district employees, the money apparently has been diverted to the school system's operating budget, he said.

Sen. Stuart Symington of Missouri said in a Congressional Record statement Friday that an anticipated air traffic volume does not justify haste in starting a new airport. Sen. Charles Percy of Illinois said Sunday that he had a statement a week earlier that there is "compelling evidence that enlargement of Lambert Airport is not feasible due, very simply, to a lack of land and the prohibitively high cost of such a venture."

Distorted membership figures were uncovered by the Boy Scouts in 15 of the 431 councils in the U. S., including Chicago, a report showed Friday.

A suit seeking to block construction of replacement Alton locks and dam facilities will be heard in Washington, D. C. starting March 3. Two environmental groups and 21 railroads oppose the project.

Four East St. Louis school board members, a school employee, a former school employee and an alleged payoff man were named in federal grand jury indictments Thursday, charging in alleged scheme involving \$120,000 in kickbacks from two contractors.

Former Gov. Otto Kerner's parole application will be heard in January by the U. S. Board of Pardon. He is serving a one-year term for bribery, conspiracy, mail fraud, tax evasion and perjury.

Contributions totaling \$20,000 in property and \$46,775 in cash have been pledged for acquisition of a downtown Edwardsville site for the scheduled new Madison County jail, a citizen group told the County Board's Buildings Committee Thursday night. Ninety-nine persons have made pledges of \$50 to \$20,000, and the committee gave assurances that the newly-authorized jail will be built between Randle and Center streets west of the Norfolk and Western spur track. The City of Edwardsville has agreed to vacate Benton Street between Randle and Center.

President Gerald Ford and Soviet leader Leonid Brezhnev will meet Nov. 23-24 in Vladivostok.

Sen. Edward M. Kennedy of Massachusetts said last week his conduct after a fatal auto crash five years ago was "irrational, indefensible, inexcusable and inexplicable."

The Army Engineer Corps apparently will not prosecute the City of St. Louis for dumping rubble and fill into the Mississippi River near Humboldt Street without a federal permit.

Food costs hit a new high in September, up nine per cent from a year earlier and 14 per cent over the August average.

The Bi-State Development Agency voted Thursday to extend senior citizens' 15-cent bus fare to include rush periods of 6 a.m. and 4 p.m. on weekdays for the new fare of 25 cents in rush hours. If the Interstate Commerce Commission approves, the 15-cent fare for those 65 or older will apply at all times.

Limited

(Continued from page 1)

He said it approaches STUP's mission and scope with a "highly restrictive attitude, rather than adopting one which is more realistically and affirmatively responds to all the constituencies to which we must answer."

Dr. Reynolds said the BHE staff statement ignored the need for professional doctoral programs "that would fulfill in a significant way our role as a regional institution."

His letter says the staff document also ignored supportive programs of research and service, expansion of continuing education, programs for the disadvantaged, mission responsibilities beyond the confines of the main campus, and the need to develop other programs in order to assist area community colleges in the training of junior college teachers.

Woman is abducted

A 25-year-old Granite City woman told St. Louis police at 1 p.m. Sunday that she had been abducted in Granite City by four men who attempted to molest her.

She said she had just left a tavern near Niedringhaus and Grand avenues and was walking when a car stopped beside her and one man got out, grabbed her and forced her into the auto with him and three others.

The men drove to East St. Louis, where they tried to molest her, she reported. She added that when she refused advances, they beat her with their fists and one man struck her with a club or stick. They then crossed the Poplar Street Bridge and the men threw her out of the car in the 4500 block of St. Louis Avenue in St. Louis.

She went to the District 8 St. Louis police headquarters and related the story. Granite City police returned her to Illinois and took her to St. Elizabeth Hospital, where she was admitted.

Woman attempts to jump from bridge

A Granite City woman was admitted to St. Elizabeth Hospital at 10 p.m. Sunday after she allegedly attempted to jump from McKinley Bridge.

Police, responding to a call from the bridge toll office, found the woman being held by four St. Louis men who reportedly stopped her from jumping.

She was then taken to the hospital by police.

Apparently will not prosecute the City of St. Louis for dumping rubble and fill into the Mississippi River near Humboldt Street without a federal permit.

Food costs hit a new high in September, up nine per cent from a year earlier and 14 per cent over the August average.

The Bi-State Development Agency voted Thursday to extend senior citizens' 15-cent bus fare to include rush periods of 6 a.m. and 4 p.m. on weekdays for the new fare of 25 cents in rush hours. If the Interstate Commerce Commission approves, the 15-cent fare for those 65 or older will apply at all times.

Death notices

(Continued from page 1)

BENDER, MRS. BERTHA, 2225 Cleveland Blvd. Entered into rest 7:35 p.m. Sunday, Oct. 27, 1974, at Colonial Nursing Home, Maryville, Ill. Beloved wife of Fred J. Bender; dear mother of Mrs. Irene Mahrt, Mrs. Mary J. Perez and Dr. James F. Bender; dear grandmother and great-grandmother.

Funeral arrangements are pending at MERCER MORTUARY, 1416 Niedringhaus Ave. Call 978-4321 for information. Interment will be in Sunset Hill Cemetery, Edwardsville.

WALT SCHLEMER, operator of Walt Schlemer Realty and Insurance Agency of Edwardsville, has been elected state treasurer of the Illinois Association of Realtors during the organization's state convention in Chicago.

Schlemer served as secretary of the state group until his election as treasurer. Membership in the Illinois association now exceeds 17,000.

Rites held Sunday for John Quinn

Funeral services were held yesterday at New Hope Baptist Church, East St. Louis, for John B. Quinn, 60, of East St. Louis, an employee of Granite City Steel. Mr. Quinn died last week of a heart ailment.

He leaves his wife, two sons, his mother, two sisters and four brothers.

Lake hearing

(Continued from page 1)

Go dry most summers, killing most fish and game. "Treated effluent from the Granite City Steel facility has helped Horseshoe Lake sustain a constant water level since 1965 that supports an assorted fish population and other wildlife, including hundreds of migratory water fowl that winter on the lake."

"Fish kills prevalent in the past have not been experienced. Indeed, the area has been provided with a pleasant body of water with many uses," Love contended.

Charles Hudgins, public relations officer of the Migratory Waterfowl Hunters, Inc., of Godfrey, who spoke before the Granite City Steel officials, had contended, "There are less waterfowl using this lake than there were 10 years ago." He said he had observed only about one-third the number he observed seven or eight years ago.

"Horseshoe Lake is a prime resting and feeding area on an historic waterfowl route. We are afraid the lake may poison and kill them on their way to their nesting places," he testified.

He contended all aquatic life in the lake has been killed and that ducks face starvation if they are not poled.

Thomas R. Evans, resources planner for the state Department of Conservation, told the hearing officers the state plans to make a state park out of the lake and stated, "We are concerned about the quality of the water in the future."

Evans said his department now is preparing "a master management plan for the new park which requires projections on the future quality of the water and on the water level."

Charles Marbut, district fishery biologist for the Department of Conservation Division of Fisheries, told the hearing of a declining fish population and declining condition of the fish now being caught in the lake.

"The fish appear not to be getting enough to eat," he contended. He said, "Nearly no wild animals were found by the Department of Conservation and while a wide spectrum of types of food animals for fish should have been found, only two species were found and those in small quantity."

Marbut said his department is having a chemist test the lake to determine if the level of effluent is killing the animals the fish use for food.

Fish of several species also are to be killed and tested for traces of heavy metals in their systems.

Hearing officers were Henry R. Balkov, an attorney with the U. S. EPA Region 5, headquartered in Chicago, and Henry J. Handzel, attorney for the Illinois EPA, from Springfield.

They explained the testimony heard will be transcribed and considered by the EPA along with the Granite City. State request that the tentative permit be modified.

If a permit is issued, it will be effective through June 30, 1977. A new set of criteria then must be met through June 30, 1979 in the second step of the EPA water quality improvement plans, they told those present.

Second son for Thebeaus

Mr. and Mrs. Tom Thebeaus, 3209 Newell Drive, are announcing the birth of their second son Oct. 11 at the Jewish Hospital, St. Louis.

The infant has been named Patrick Jay. He has a brother, Ryan.

Grandparents are Mr. and Mrs. Harry Thebeaus of Madison and Mr. and Mrs. Emil Toffant of Madison, the mother is the former Miss Emily Toffant.

Mrs. Johnson is hostess to club

Mrs. Celeste Johnson entertained the Thursday Evening Club last week in her home, 2537 Iowa St. She used a Halloween theme in the table appointments, including a large lighted ceramic pumpkin.

Those winning prizes at cards were Mesdames Louisa, Mrs. Velma Radefeld, Myrtle Brun, Angie Hartman and Alice Koester.

Those present were Mrs. Lorine Menzies and a guest, Mrs. Irma Taffel. The hostess served pumpkin pie and coffee after the games. Mrs. Menzies will host the next meeting.

Service couple leaves for Germany

Army Private First Class and Mrs. Rector Bohn left Friday morning to return to Germany, where he is stationed with the U.S. Army.

The couple spent a 30-day leave in the Quad-City area. They were house guests of Mrs. Bohn's mother, Mrs. Betty Dunsy, 2921 E. 24th St.

Mrs. Bohn is the former Janet Dunsy. She and her husband expect to remain in Germany another year.

Venice woman shot Sunday

Mrs. Geraldine Pearson, 52, of 1029 rear Market St., Venice, was admitted to St. Elizabeth Hospital in poor condition at 11:30 p.m. Sunday, and later was transferred to Firmin Desloge Hospital, St. Louis.

Police said Mrs. Pearson, with the help of a neighbor, came to the station and reported she had been shot. She is bleeding about the face, officers said.

A glass door at her home appeared to have been broken by a bullet and a bullet was found lodged in a bowl inside a kitchen cabinet. Police said they are seeking a St. Louis man as a suspect in the incident.

SYKES, ORVILLE EUGENE, 2901 Pershing Ave. Entered into rest at 4:35 p.m. Thursday, Oct. 24, 1974, at St. Elizabeth Hospital.

Beloved husband of Mrs. Laura Sykes; dear father of Mrs. Karen Jackson, Mrs. Wanda Jackson and Mrs. Sheryl Ariana; dear son of Marion Sykes; dear brother of Mrs. Dorothy Embick; dear grandfather.

Funeral services 9:30 a.m. Tuesday, Oct. 29, at MERCER MORTUARY Chapel, 1416 Niedringhaus Ave. Interment Jefferson Barracks Cemetery.

WARFORD, HAL T., 306 N. Locust St., McLeansboro. Entered into rest at 10:15 p.m. Friday, Oct. 25, 1974, at Hamilton Hospital, McLeansboro.

Beloved husband of Mrs. Grace Warford; dear father of Charles and J. A. Warford. Services 9:30 a.m. today, Oct. 28, from PIETZ FURNERAL HOME, 1929 Cleveland Blvd., to St. Joseph Catholic Church, 2101 State St., for 10 a.m. Requiem Mass. Interment Calvary Cemetery, Edwardsville Township.

WHITE, MRS. TILLIE, Kirkpatrick Hms. Died at 12:10 a.m. Saturday, Oct. 26, 1974, at the Madison County Nursing Home, Edwardsville.

Beloved wife of the late Charles White; dear grandmother of Elaine Parish, dear aunt.

Services 1 p.m. Tuesday, Oct. 29, at the MERCER MORTUARY Chapel, 1416 Niedringhaus Ave. Interment Sunset Hill Cemetery, Edwardsville Township. Friends may call at the present time.

11 indicted in area crimes

A Madison County grand jury Thursday indicted 11 persons in 18 indictments involving Quad-City area cases.
Seven young persons were

State spending collecting more

Spending and income levels in the state's general funds were both higher during the first three months of fiscal year 1975 than during the same period a year ago, Comptroller George W. Lindberg said Friday.
The general funds include the common school, federal revenue sharing and general revenue funds.
In a monthly financial report, the comptroller said general funds receipts were \$94 million higher in July, August and September 1974 than in the same three months of 1973. Spending was \$114 million higher in the first three months of the fiscal year against the comparable period.
Lindberg reported the state's general funds available balance

at the end of the first quarter of 1974-75, which began July 1, was \$406 million, up \$46 million from a year ago.

The comptroller noted that the governor's latest estimates of revenue are \$178 million higher than those in the budget he presented to the General Assembly in March 1974. Also, Lindberg said the governor now estimates spending will be \$107 million higher than the governor's March projections.
Lindberg cautioned against undue optimism over the increased revenue outlook: "The increased spending announced by the governor coupled with uncertain economic conditions across the country must make us cautious."

Tips for Yule packaging

Noting that the Christmas season already has arrived so far as postal workers are concerned, postmasters of the Quad-City area—Herbert Backs of Granite City, William Clinton of Madison and Charles Simmons of Venice—offered this week tips for proper packaging of parcels for Christmas mailing.

Their suggestions included:
A single item in a package should be cushioned with shredded paper, excelsior, compressed tissue paper, cloth, or expanded plastic foam.

It two or more items are mailed in the same carton or box, cushioning material should protect all items from contact with each other, and each item should have its own individual wrapper.

Cardboard containers, including large soap, cereal boxes, etc., larger than the gift being mailed should be cut down to about the size of the gift to minimize shaking and breaking in transit.

Fragile articles must be individually cushioned, and all four sides of the container should be padded with cushioning material.

Tape used to seal containers should be durable and should cover or firmly secure all flaps. Paper for the outer wrapping should be at least equal to

quality and strength to the kraft stock used for grocery bags. Incidentally, such bags, in good condition, provide excellent wrapping when trimmed to the proper size to fit the package snugly.

Wrapped packages also should be secured with strong twine, not ordinary light string. Twine should be knotted at several intersecting points to keep it from loosening.

All packages that contain delicate articles should be marked Fragile.

Each package should contain the name and address of the person to whom it is being mailed inside the package as well as outside. An address contained inside is insurance that it will be received promptly even if the outside address should become lost or obliterated.

Be sure to put the return address on the package. Address the package correctly and legibly. Be sure to include the zip code. (Call the local post office if you don't know the zip code.) Mail with the proper zip code is processed more rapidly.

And be sure to put only one address on the outside of the parcel. Do not address on more than one side, the postmasters concluded.

Indicted were David A. Hill, 29, of 1310 Twenty-second St.; Connie Koesterer, 19, of 50 Cambridge Court; Richard Stemmer, 19, of 611 Fleming Place; Mitchell, Richard Curtis, 20, Dupo; Peter Nichols, 19, of 2539 Pontoon Road; Terry Cowan (also known as Kevin Kirk), 21, of 3223 Maryville Road; and Randall Parker, 18, of 420 Tennessee Place, Mitchell.

Stemmer, Curtis and Parker were released on \$10,000 recognizance bond each. Nichols posted \$500 cash bond. Cowan posted \$250 cash and bond. Hill and Miss Koesterer's bonds were set at \$15,000 each.

Hill and Miss Koesterer also were indicted, each on one additional charge of unlawful possession of a controlled substance for allegedly having drugs in their possession in a Granite City motel room where they were arrested Sept. 27. Fred L. McDaniel, 60, of 2245 Edison Ave., was indicted on six counts of taking indecent liberties with a child. He allegedly fondled six girls, ages 8 to 10 at his home. Indictments charge incidents on Aug. 23 and 25, June 23, two on Aug. 24, and one sometime in September. He was released on bond.

Calvin Branch, 34 Lee Wright Homes, and Benjamin Wagner, 1214 Douglas St., both of Venice, were indicted on burglary charges. They allegedly entered the station wagon of Johnnie Watts, 174 Viola Jones Homes, Venice, Sept. 26, and removed several items. Each was released on a \$6,000 recognizance bond.

The grand jury also indicted Steven Presley, 17, of 2725 Buxton Ave., on a burglary charge.

He allegedly was one of two youths who burglarized the home of John Laskey, 2721 Buxton Ave., Sept. 11. A chain saw and a clock radio were taken.

Steal furniture

A dining table and chairs, a couch, lamp and other items were stolen from the home of C. O. Moore, 2048 Pontoon Road, during a burglary reported at 7:10 p.m. Saturday. Entry was believed gained through the garage and a door to the inside was pried open.

Truck cab looted

A citizens' band radio, a radio and a radar detector device were stolen from the cab of the tractor trailer of Max Lowery, Blueford, Ill., parked at the rear of the 1100 block of Niedringhaus Avenue, it was reported at 7:55 a.m. Saturday.

"GIVE THE TAXPAYERS A BREAK" — STEELE

It's Time To Put The People's Interests FIRST!

The First Order of Business... AFTER each of the past two elections (in 1970 and '72) has been for State Representatives to vote them more pay and expense hikes. In the past 5 years, a 300% hike has been voted. \$12,500 raises were given last year (1973) to most state officials. Legislator expense allowances have been increased ten-fold in just 5 years. Illinois Legislature costs have almost doubled (80% increase) in just 2 years.

With this kind of attitude in Springfield, NO WONDER our taxes keep going up! NO WONDER state spending has TRIPLED in the past few years.

It's Time for a Change! The People Who Pay the Bills Must Speak Up! ... For

Too much inaction by officials—Mrs. Hawkins

Mrs. Helen Hawkins, an independent candidate running in District 26 for election to the Madison County Board Nov. 5, said Friday she has "the best record for getting things done."

She assailed the record of the incumbent County Board member, Nameoki Township Supervisor Louis Whitell. She commented, "I do not see it as an advantage for a township to have its supervisor on the County Board, serving on many committees and holding a full-time job."

"This is putting too many irons in the fire."

"That is why he cannot complete anything, such as all those programs he brag about. Where are the sanitary sewers? Subdivision controls? Parks? Drainage?"

"I can see nothing that he has done for District 26. The only time he gets active is election

time, and then it's the same old stories. If you ever look over his old campaign literature, you see the same promises still not completed."

"In view of his bad memory, I feel it necessary to bring out a few facts. Never once did he request the highway commissioner to provide drainage for the Parkway Estates subdivision, Harrison Avenue, Wilshire subdivision or New Haven Manor."

"Instead, he held the highway commissioner back with a stupid legal opinion that stated that only the East Side Levee District could put in the drainage. It was clear to see he was working with the Levee Board, and to heck with the people."

"I got so sick and tired of that opinion. On March 13, I took it on my own to invite the county official, Paul Hawkins of the Sanitation and Pollution Department, to Parkway Estates and the other troubled areas to take samples of the water."

"They found a high count of bacteria of the kind that can

GRANITE CITY PRESS-RECORD

Mon., Oct. 28, 1974 Page 16

cause serious diseases. I did this long before I was appointed the health inspector or decided to run for the County Board. "I have the county report as proof. I reached out to help these areas because they asked me to as a private citizen."

"Three months later, I became the inspector and ordered the work be done under the Town Board of Health."

"I am happy that this work is under way because the citizens needed attention to problems they had for many years."

"These projects were accomplished at the township level and not the county."

"The township has had this same legal opinion of taking care of health threats long before the federal revenue sharing program came up. They just did not use it because Whitell was more interested in watching our money go in the banks."

"I have attended many of the County Board meetings and I am known for my strong stands for the good of this district."

"In fact, I usually make headway when I go."

"One of the meetings was tape recorded, so I have proof. "I have also attended many meetings at the state level and I have attended every township meeting for the past five years," Mrs. Hawkins said.

"That is more than Whitell can say. He has missed the last few town meetings because he is afraid that his own recent actions could reflect on his candidacy."

"What was a township meeting set for 8 a.m. Saturday instead of 7 p.m. today, which is the regular time? Today is no holiday; the holiday is Veterans' Day, Nov. 11."

"I see in the year of Watergate that it suddenly became an advantage for a politician to be a woman. It usually means being an independent, a maverick, unbelonging to major contributors."

"Government is the people. I am encouraging each voter, the government, to put an independent in office Nov. 5 because I have the best record for getting things done."

Jack Cippie dies at 85

Jack Cippie, 85, of 261 Norwood Place, East Alton, formerly of Madison, died at 6:40 a.m. Saturday at the VIP Manor Nursing Home in Wood River. Born in Austria, Mr. Cippie resided in Madison 73 years prior to moving to the East Alton area.

He retired in 1965 as a foreman at the Granite City Army Installation.

His wife, Mrs. Anna Cippie, preceded him in death.

Survivors include three stepdaughters, Mrs. Mary Ehling of San Francisco, Calif.; Mrs. Evelyn Trovich of Granite City and Mrs. Rae Djorchak of East Alton; a stepson, Johnny, of Joliet, Ill.; eight grandchildren and 12 great-grandchildren.

Funeral services were held at 11 a.m. today at a Wood River funeral home. Burial was in Calvary Cemetery, Edwardsville Township.

Veterans deserve praise—Price

In a statement prepared for the observance of Veterans' Day, Cong. Melvin Price pays tribute to the men and women

who have served their country in its armed forces. "Especially in these troubled times, I feel we should salute

the hundreds of thousands of servicemen and women who have devoted a part of their lives to defending this nation and keeping it secure. Our veterans have done a tremendous job and deserve far more than a single day's praise from a grateful nation," he commented.

"No matter when we celebrate Veterans' Day across the country, I am sure that Americans everywhere celebrate with the same spirit of pride and gratitude to these fine men and women who have given so generously to their nation."

"I join with the rest of the country in commending them on a job well done."

Mrs. Sophia Lalich dies

Mrs. Sophia "Saveta" (Drakulich) Lalich, 82, of 813 Grand Ave., Madison, died at 9:15 p.m. Friday at St. Elizabeth Hospital.

She had been in the Colonades, two years and two months and in the hospital three weeks.

Mrs. Lalich was born in Yugoslavia and resided in Madison 53 years. She was a member of Holy Trinity Serbian Orthodox Church, St. Louis and of the Kolo Serbian Sisters. Her

husband, Mike Lalich, preceded her in death Dec. 8, 1957.

Surviving is a son, Steve Lalich of Granite City; three daughters, Mrs. Steve (Mildred) Yovadic of Madison, Mrs. John (Mary) Ropes of Granite City and Mrs. Louis (Julia) Jakovac of St. Louis; six grandchildren and one great-grandchild.

Funeral arrangements may be found in today's obituary column.

Mrs. Zelma Hart, 72, dies

Mrs. Zelma N. Hart, 72, of 2334 E. 28th St., a 60-year resident of the Quad-Cities, died at 9:41 a.m. Thursday at St. Elizabeth Hospital where she had been a patient two weeks.

She was a member of the Methodist faith, and was born in Illinois.

Mrs. Hart was a past president of Venice-Madison American Legion Auxiliary Post 307, past chaplain of Eight and Forty Club, past president of Royal Neighbors and the

current chaplain of the Venice Democratic Club.

Her husband, Frank C. Hart, died in 1964.

Survivors include two daughters, Mrs. Arthur (Betty) Ritz and Mrs. Mike (Juanita) Vesci, both of Granite City; a sister, Mrs. Burl (Vera) Brownfield of Oblong, Ill.; three grandchildren and eight great-grandchildren.

Funeral services were held Saturday. Details are given in the obituary column.

Hal Warford, 71, dies

Hal Warford, 71, of 306 N. Locust St., McLeansboro, Ill., formerly of Granite City, died at 10:15 p.m. Friday at Hamilton Hospital, McLeansboro. He had been ill several years.

Mr. Warford was born in Oscar, Ky., and resided in Granite City before moving to McLeansboro 27 years ago.

He was a retired farmer. Mr. Warford was a member of St. Vincent's Church in McLeansboro.

Surviving are his widow, Grace Warford, and two brothers, Charles Warford of La Center, Ky., and J. A. Warford of Honolulu, Hawaii.

Funeral arrangements may be found in today's obituary column.

Mrs. Tillie White succumbs

Mrs. Tillie White, 81, of Kirkpatrick Homes, died at 12:10 a.m. Saturday at the Madison County Nursing Home.

Edwardsville, where she had been a patient two years.

Mrs. White was born in St. Louis and resided in the Quad-City area 55 years.

Her husband, Charles White, preceded her in death in 1964.

Surviving is a granddaughter, Elaine Parish of Granite City.

Funeral arrangements may be found in today's obituary column.

Hits bridge, driver hurt

Ulis Bailey, 53, St. Louis, was seriously injured when his auto struck the west end of the divider on McKinley Bridge, Venice, at 5:05 a.m. Saturday.

The impact demolished Bailey's auto. Authorities were unable to determine the circumstances surrounding the accident as they could not speak to the driver.

Bailey was taken by ambulance to St. Elizabeth Hospital where he was examined and was transferred to Firmin Desloge Hospital, St. Louis, with head injuries.

St. Louis, with head injuries.

Motorcycle rider hurt

Charles Lewis, 26, Edwardsville, was hurt when his motorcycle's accelerator stuck open and he tried to lay the cycle down at 25th Street and the railroad tracks at 7:10 p.m. Saturday.

The motorcycle and rider slid into a guard rail protecting the crossing signal lights.

Lewis was taken by ambulance to St. Elizabeth Hospital where he was admitted with a broken right arm and a cut to his right knee.

Haunted Castle drawing crowd

In keeping with the Halloween season over 1,200 people of all ages have visited Explorer Post 10-4 "Haunted Castle" 1316 Madison Ave., which opened Friday.

The "Castle" will be open through Thursday from 7 p.m. until 9 p.m. Admission is 50 cents for persons under 12, and 75 cents for those 12 and over.

Monies earned by the Explorers will be used to help support the group's activities.

A donation also will be made to the United Way and the general operating budget of the Cahokia Mound Council.

Liion governor to visit Madison club

District I-G Lion Governor Ralph R. Huffer will make an official visit to the Madison Lions Club meeting Thursday in the Sportsman's Club, 10th and Iowa streets, Madison.

Jim Riskovsky, club secretary, said a dinner will be served beginning at 7 p.m.

Expected to attend with Gov. Rutherford will be Lion David Clave, a member of the Madison club and zone chairman of Region 3, and Deputy District Governor Mel Schudhart of Region 3.

2 hurt Saturday

Two persons were injured when the auto of Bernie Hancock, 28, of 2801 Elm Ave., struck the auto of Gary Garner, 1941 St. Clair Ave., parked in front of Garner's home, at 4:30 a.m. Saturday.

Hancock, who was charged with reckless driving, was taken by ambulance to St. Elizabeth Hospital where he was treated for cuts to his lower lip and his left hand, and was released.

A passenger in his car, Roger Voimovich, 25, of 3149 Jil Ave., also was transported by ambulance to the hospital and was released after treatment for cuts to his right cheek and right eyelid.

Train-car crash

A tractor trailer truck driven by Robert Holderly, 54, of Dix, Ill., and owned by Arco Auto Carriers, Inc., of Chicago, was struck by an Illinois Terman train on the Madison Avenue crossing near 14th Street at 2:45 p.m. Thursday.

The rear of the trailer was damaged. Holderly was uninjured. Engineer of the westbound train was Arthur Brooker of Wood River.

NEW HIGH SCHOOL DEDICATED. Welcoming visitors to the Granite City High School North open house and dedication yesterday afternoon was Brent Weiss, president of the school's chapter of the National Honor Society. Seated at left in the gymnasium are school officials and in the background is the GCHS North band. Over 350 persons visited the school for the ceremonies.

Dedication at North High

"Dedication" was the word of the day for speakers at Granite City High School North yesterday at the school's formal dedication ceremony.

Speakers stressed the "dedication" of the taxpayers and residents of this district to provide the best possible education for their children, the "dedication" of school officials to fulfill the expectations of the residents, and the "dedication" of the school's students to make full use of the opportunities for education they have been given.

One honored guest who had been invited but was not expected to appear was U.S. Congressman Melvin Price (D-East St. Louis).

Price told the 350 to 400 persons present, "No nation ever made as great a dedication to educating its children as America." He added, "That's why we have lasted 200 years."

Harold E. Briggs, superintendent of the Madison County Educational Service Region, commented, "I have never seen a school gain momentum as rapidly as this one. I commend the board, the teachers, the administrators and the residents for their total commitment... that has made this date possible."

B. J. Davis, superintendent of the Granite City public schools said the administration was dedicating the school to the students. "We ask the students in turn to dedicate themselves to obtain full use of the educational opportunities of this building."

Davis also said the building is dedicated to the community. "This community has never failed to pass a bond issue to support education. That is something few districts can say and it shows why we have as highly respected a district as we have."

"The continuation of this democracy depends upon an educated populace. We, in turn,

dedicate ourselves to this end," he concluded.

Also on the program were: the Rev. Don Pierson of Namecki Presbyterian Church, who offered the invocation and benediction; Brent Weiss, president of the school's National Honor Society, who acted as master-of-ceremonies; Donald Stucke, president of the board of education; Gilbert V. Walmsley, North principal, and

the school's band and Advanced Mixed Chorus.

Weiss, on behalf of the students, gave Walmsley a surprise gift, a scrapbook of newspaper clippings from the school's first year.

Following the dedication ceremonies, which were held in the gymnasium, visitors toured the new building which cost about \$4 million to build and furnish.

Open house schedule

Open house programs will be held in Granite City schools this week, and programs are planned in Venice schools tomorrow and on Thursday.

This week's schedule in Granite City will include: Today, Coolidge Junior High—7 to 8 p.m.; Prather Junior High—7:30 to 8:30 p.m. and Washington School during the morning hours. Washington School also plans programs on Wednesday and Friday, during the afternoon hours.

Tuesday, South High School during the school day; Lake School—7 to 8 p.m.; Logan School—7 to 8 p.m.; Marshall School—7 to 8 p.m.; Maryville School—7 to 8:30 p.m.; Niedringhaus School—7 to 8 p.m. with ice cream and cake social from 7:30 to 8:30 p.m.; Parkview School, all day hours.

Wednesday, Grigsby Junior High School—7:30 to 8:30 p.m. During November, Emerson School will hold open houses from 7:30 to 8:30 p.m. on Nov. 7; Mitchell School—7 p.m., Nov. 14; and Webster School—7 p.m., Nov. 18.

Parents are being encouraged to visit classrooms at the Venice elementary and high school buildings between the hours of 9 a.m. and 3 p.m. Tuesday.

On Thursday, an all-school assembly in the gymnasium is arranged. Special guests will include Venice Mayor William "Mike" Ebersold and officials of Venice-Madison American Legion Post 307.

Immediately following the assembly at 2 p.m., elementary level students, dressed in masquerade costumes, will

parade through neighborhoods near the school, returning to the building prior to 2:45 p.m.

Details of the parade route still are being planned. Venice Supt. of Schools Robert N. Vickers informed the board.

Burglary is charged

Burt Tomlinson, 20, of 2403 Kirkpatrick Homes, was charged with burglary after he and a 14-year-old boy were found near where a carburator had been removed from another auto.

A woman who lives in the 2500 block of Parkview Drive told police she saw two youths tampering with the engine of a parked car near her home.

Police found a car with the hood raised, the carburator removed and all the spark plug wires disconnected. They checked the area and alleged finding Tomlinson and the juvenile laying on the seat of another car parked nearby.

A carburator and several tools were on the floorboard of the auto in which the two were arrested, according to police. The juvenile was released to his parents.

Mattress Burns

Granite City firemen were called to the home of Thomas Gibson, 2015 Sherman Ave., on Thursday after a smoldering mattress burst into flames.

Children playing with matches the evening before were believed to have set the mattress on fire and it smoldered throughout the night, filling the house with smoke, firemen reported.

The residents awoke this morning to find the mattress and bed in flames. No one was injured.

Firemen were on the scene about one hour and five minutes. Damage was estimated at \$150 to the house and \$150 to the contents.

'Haunted House' opens

A "haunted house" complete with ghosts, goblins and other creepy creatures was opened Thursday as a Halloween attraction for young and old at 2833 Madison Ave.

The haunted house, which will present such spooky characters as Brown Hilda, the Mad Doctor, the King of Vampires and the last Mummy of Rottin-Tootin, is being presented by Explorer post 16-33, sponsored by the Granite City Police Department.

The house will be open for daily tours from 6:30 p.m. to 9:30 p.m. through Halloween

night Oct. 31.

A donation will be asked at the door from those who make a trip through the shabby castle. Part of the proceeds will be contributed to the United Way campaign and the remainder will go toward post activities. Officer Friendly, Glen Wright of the Granite City Police Department, said he will be present to greet children and to "control the assortment of haunted house monsters."

Moose Halloween parade

The Granite City Moose Lodge 272 will sponsor its annual Halloween Parade again this year at 7 p.m. Thursday.

Archie Pulley, civic affairs chairman, announced.

Judging the costumed participants will be Warren L. Decatur of the Shriner's, Earl Baker, a Granite City alderman, and Captain Ronald Kerley of the Salvation Army.

Those who take part in the parade are to meet at the City Hall. The parade will go south on State Street to 19th Street.

then west to Delmar Avenue and Niedringhaus and return to the parking lot of the First National Bank for the judging ceremony.

Cash prizes will be awarded for the best costumes in three categories, the most original, prettiest and funniest. Several consolation prizes will be presented in each of the categories, he added.

The Shrine marching unit, The Rolling Nobles also will take part in the evening event.

Post earnings still down

Post Corporation said Friday continued losses at its property-casualty insurance subsidiary caused its third-quarter earnings to be only 20 cents a share, compared with 52 cents last year.

The Appleton, Wis., company said its newspaper and broadcast operations showed a higher profit than last year's \$278,089 compared with \$236,240. But All-Star Insurance Corp. lost \$105,408 before securities transactions for the quarter, reducing Post's earnings to \$174,281. In last year's third quarter, Post earned \$463,265.

A spokesman said that while the company had hopes of turning All-Star around by mid-

1974, its underwriting experience parallels that of the entire property-casualty insurance industry, which is in a slump.

Meanwhile, he pointed out, Post's newspaper and broadcast firms are showing improvement over a year ago despite expansion the company has undertaken in the Boston and Milwaukee suburban markets which has increased earnings from those properties during 1974.

Post has now earned 24 cents a share for the first nine months of 1974, compared with \$1.40 for the comparable period of 1973. The firm owns the Press-Record.

Masquerade party for Pack 107

Halloween characters decorated the Venice Recreation Center last week for the monthly meeting of Cub Pack 107, sponsored by the Venice-Madison American Legion Post 307.

Cubmaster Pete Wilkinson induced Assistant Fire Chief Willie Dumas and volunteer firemen Mike Britt, Ed Grey and Jerry Ciclo of the Venice Fire Department.

The opening ceremony was conducted by Cub Scouts Larry Hartman, Paul Bilberry and Steve Blatz.

An initiation ceremony was held for new Cub Scouts Larry Williamson, Charles Fenner, Matthew Fechte, Theodore Adams, Jason McGeehee and Edward Hoover. Each received a bobcat pin and a small replica was given to each mother.

Other awards included a one-year perfect attendance pin to Edward Beech; two-year pins to Webelos Frank Wilkerson, Ronnie Buechele and Lloyd Blumenstock; and two-year perfect attendance pins to Frank Wilkerson and Ronnie Buechele.

Webelos John Grant, Lloyd Blumenstock, Ronnie Buechele, Randall Cowen and Frank Wilkerson received their athletic activity badges and Frank Wilkerson also earned his engineer badge.

Boy Scout Tim Scaturro was named den chief of Den 2, a

group newly organized by Mrs. Delores Scaturro. Jason McGeehee received a dinner card and Matthew Fechte, an assistant dinner card.

Following the business session and awards presentation, Mrs. Scaturro's Den 2 performed in a skit, entitled "Monsters Holiday," accompanied by Mrs. Donna Hoover and Tina and Tim Scaturro.

Judges Carol McGeehee, George Mangi and John Mangi viewed a march by masqueraders and selected winners for the best costumes.

Successful contestants were Ronnie Buechele, knight in shining armor; Lloyd Blumenstock, Cinderella's coach; Terry Daniels, mummy; Beth Hartman, genie in the bottle; Larry Hartman, Frankenstein and Steve Blatz, backwoods fisherman.

Ceramic pumpkin candles were awarded as prizes.

Apple bobbing and a trip through a tunnel to visit a "witchy-poo" in her den, where each cub was rewarded with a treat, were enjoyed.

Mothers of the Webelos served refreshments.

Automobile looted

Items worth \$245 were stolen from the auto of Steve Beatty, 115 Riviera Drive, it was reported at 11 a.m. Saturday. Taken were a calculator, a tape player and speakers and a movie camera.

BRIDE-TO-BE Miss Cindy Cochran, the fiancée of Ronnie Castile. Their engagement and plans for an April 5 wedding are being announced by her parents, Mr. and Mrs. Robert Cochran, 141 Troeckler Lane, Mitchell.

Auxiliary plans costume party

Plans for a masquerade party at 7 p.m. Thursday at Amvets Post 51 were completed last week at a meeting of the Amvets Auxiliary unit at the Post Home, 5100 Lakeview Drive.

Members and their families were urged to attend in Halloween costumes and compete for prizes. A winner roast also is planned the same evening, Mrs. Betty Wilkins, president, reported.

In the business session, a donation was authorized to the auxiliary's National Scholarship Fund and Mrs. Glenda Brockman, membership chairman, said dues for 1975 are now payable.

Mrs. Joan Hanson was welcomed as a new member. It was announced the local Amvets Auxiliary has contributed over 100 volunteer hours at St. Elizabeth Hospital and members still are working in the MIA-POW office at Scott Air Force Base.

Members were asked by Mrs. Agnes Konkovich, Americanism chairman, to fly their flags on a daily basis and not wait for special observances.

Also presenting reports were Mrs. Lorena Varner, Worldwid chairman, and Treasurer Charlene Sanders.

Mrs. Margie Smith received the white elephant award, and a buffet was served by Mrs. Wilkins to conclude the meeting.

Halloween party for Girl Scouts

Members of Girl Scout Troop 804 of Sacred Heart School attended a Halloween party last week at the school hosted by the troop leaders, Mrs. Pat McKee and Mrs. Mary L. Bowers.

Masquerade costumes were judged by Sister Theresa, Mrs. Mary A. Stuart and Miss Cynthia Pirok.

Winners in various categories were: Sheryl Pashea, funniest; Traci Konkovich, cutest; Theresa Narup, unusual; Christine Hatfield, prettiest; Jackie Souers, scariest; Janette Narup, most original and Theresa Vasquez, ugliest.

At the conclusion of the party, the troop members presented a huge pumpkin to the teachers.

Others taking part in the games and refreshments were Susan Alexander, Diane Berkshire, Kimberly Bowers, Susan Bridick, Daffy Galbreath, Donna Jackul, Norma Klock, Paula Koch, Cindy McFall, Denise McKee, Pattie Sharp, Susan Szymarek, Lisa Walker and Diane Waltenberger.

ENGAGED Miss Sandra Kay Fulkerson, whose grandparents, Mr. and Mrs. Richard S. Fulkerson, 645 Margaret Ave., are announcing her engagement to Wilfred "Bud" Eberhart. A summer wedding is planned.

(Hollywood-Andrews Studio)

Miss Fulkerson is betrothed

Plans for a summer wedding were disclosed with the announcement of the engagement of Miss Sandra Kay Fulkerson and Wilfred "Bud" Eberhart by the bride-elect's grandparents, Mr. and Mrs. Richard S. Fulkerson, 645 Margaret Ave., with whom she makes her home.

The prospective groom is a son of Mr. and Mrs. Wilfred B. Eberhart, 600 E. Chain of Rocks Road.

A Granite City High School graduate, the prospective groom is employed as an inspector at American Steel Foundries. He is a member of the Mitchell Volunteer Fire Department and also served four years in the U.S. Air Force.

Miss Fulkerson is a student at Granite City High School North.

A date for the wedding has not been set at the present time.

In Memoriam 33
In Loving Memory of
MARK ALLEN GEORGEFF
Born October 26, 1923
We do not forget him, we love him too dearly
For his memory to fade from our lives like dew
Our lips need not speak when our hearts mourn sincerely
For grief often dwells where it seldom is seen
Boba, Leslie and
Aunts, Lou and Jo
33 10 28

In Memoriam 33
In Loving Memory of
SUSIE HAWKINS
October 28, 1973
He came himself to meet her
In that way so hard to tread
And with Jesus' arm to lean on
Could she have one doubt or dread?
Sadly missed by
Her Family
33 10 28

In Memoriam 33
In memory of WALTER WILKINSON who passed away October 26, 1973. Dear Dad, it seems just like yesterday
When God called you to his home
In life you were so kind and true
There's not a day we don't think of you
Loved by
HIS FAMILY
33 10 28

In Memoriam 33
To the memory of MARY JANE SIEGFRIED
Sadly missed by
LEE, LEROY, MICHAEL, KAREN and CHRISTOPHER
In loving memory of THERESA WIGGINS October 26, 1973. Sadly missed by
HER FAMILY

GC beautician wins state honors

Mrs. Sheila Morgan, representing the Elite Hairdressers Association, Affiliate 33 of Granite City, took first place state honors at the Illinois Cosmetologists Association's state convention and "Parade of Affiliates" banquet last week in Decatur.

The local beautician will represent the state association at the national convention in Atlantic City next July.

Mrs. Morgan created the hair fashion displayed by Mrs. Gayle Jacobs, who served as her model for the competition.

Theme of the state-wide contest was "History of Illinois" and specifically the home area of each contestant. Mrs. Morgan chose to depict the history of the Indian tribes from the early days in the Cahokia Mounds area. She used a moving tape made of white animal skin and hand painted scenes representing Indian culture. To complete the presentation, Mrs. Jacobs, dressed in a white fringed Indian costume, performed a ceremonial dance.

This year's top award marked the fifth time the local association has captured first place honors on a state level. Loyal McCall, of Omaha, Neb., was the guest artist for the educational program, entitled "Total Fashion Picture," introducing styling techniques for the fall and winter coiffures.

Local members attending the convention were Juanita Fuchs, Carol Law and Deanna Miller of Na-Bor-Hood Hair Fashions; Sheila Morgan, Earl Tucker, Marcella Tucker and Dorothy Line of the Granite City School of Beauty Culture; and Brenda Cant of Stanley's.

Mrs. Cant also completed the Illinois Hair Fashion Committee examination to qualify as a member of the state hair fashion group. Her models included Mrs. Fuchs and Mrs. Tucker. Results of the examination will be announced in about three weeks.

The Elite Hairdressers will next meet at 7 p.m. Nov. 18 at the Round Table Restaurant, Collinsville. A program on cosmetics will be presented by Myra Deane Cosmetics.

WHO CAN BELIEVE the antics and wit of the clever slave Pseudolus, (Terry Bax seated)? The scene is from Granite City High School North's Fall Festival '74 play, "A Funny Thing Happened on the Way to the Forum" to be presented in GCHS South auditorium Wednesday and Thursday, Oct. 30 and 31, beginning at 8 p.m. Standing, left to right, are Hysterium (Larry Bax), Erronius (Mike Nonn) and Hero (Jim Mathis).

SINGING RAMBOS of Nashville, Tenn., who will appear in concert at 7:30 p.m. Tuesday at Tri-City Park Tabernacle, 2501 Clark St. The public is invited to hear the noted gospel singing group, which includes Buck and Dottie Rambo and daughter, Reba, 21. Admission will be free.

Rambos to appear at GC church

The Singing Rambos of Nashville, Tenn., a noted recording group, will present a special concert at 7:30 p.m. Tuesday at Tri-City Park Tabernacle, 2501 Clark St.

The Rev. John Polizzi, pastor, said the public is invited to attend. "No admission will be charged, but a free offering will be taken," the minister said.

Manager of the group is Buck Rambo, who also is president of Rambo Music, Inc. About the

Rambos he commented: "For every major gospel singing group on the road, there are at least a thousand minor groups struggling to make it in singing."

"My goal has always been to create that is why the Rambos don't use songs that other artists have recorded, unless Dottie (his wife) wrote them. Usually every album of ours is new material."

Dottie Rambo said, "I suppose one reason that God has so abundantly blessed me with my songs is because I have always been so eager to share what He gives me with others."

"When I have written a new song, I can't wait to sing it for someone and tell them the circumstances surrounding the song. Most of my songs come from actual experiences."

The third member of the Singing Rambos is Reba, the couple's 21-year-old daughter, who presents the youthful side of gospel singing.

Brownies tour pumpkin farm

Brownie Troop 495, sponsored by Sacred Heart School, motored to Leach Farms in South Roxana last week to tour a pumpkin farm.

They visited a "spook house" made of hay and were taken on a hayride through the fields, where they viewed watermelon patches. The girls cut and ate watermelon and each received a pumpkin as a gift.

Those attending were Elizabeth and Penny Bruner, Lena Kalpis, Mary Narup, Sheila Hauptman, Kim Daugherty, Megan Souers, Michelle Zelenka, Deborah Miller, Connie Williamson, Laura Smolar, Lisa Frelinger and leaders, Mrs. Donna Narup, Mrs. Maggie Williamson and Mrs. Georgia Miller.

Miss Higgins in college who's who

Miss Suzanne Higgins, daughter of Major General and Mrs. Hugh R. Higgins of Granite City, is one of 15 seniors of Mary Baldwin College chosen to be listed in the 1974-75 edition of "Who's Who Among Students in American Universities and Colleges."

Miss Higgins, an Honors student, is editor of the student newspaper, Campus Comments. She is a member of The Laurel, a student leadership society, and Phi Alpha Theta national honorary society, which recognizes outstanding achievement in the study of or writing of history.

She also has been active in the College Republicans Club and as a coordinator of volunteers at the Virginia School for the Deaf.

Miss Higgins was one of a select group of students from Mary Baldwin who attended a six-week summer study program at St. Anne's College in Oxford, England, in July. She is a history major at the Virginia liberal arts college.

**BOOK LOVERS OF FAIRVIEW HEIGHTS,
B. DALTON BOOKSELLER
IS HERE!**

We've opened the most complete bookstore around at St. Clair Square in Fairview Heights.

We're a new kind of bookstore. Clean, open, airy and above all, inviting. You'll feel comfortable just browsing our 30,000 titles. And if you find something you like, you can charge it with your Master Charge or BankAmericard.

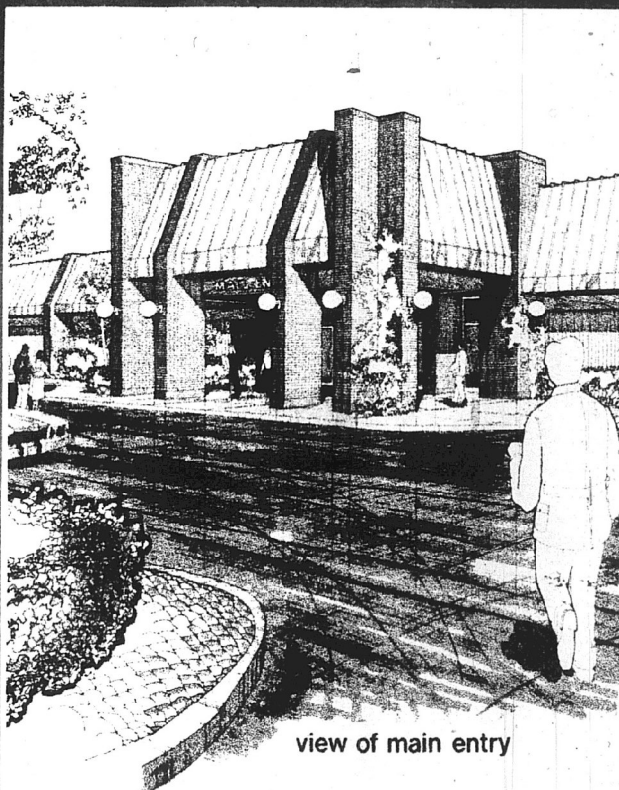

If it's a gift, we'll wrap it, mail it — or even sell you a gift certificate. And if you can't find the book you want, we'll be glad to specially order it.

We're into very personal service, too. Not the kind that's high pressure. But the kind that's there when you need it.

If fact, we take great pains when we choose the people who'll be serving you. Because we realize that they often determine whether or not you'll be back. And if there's anyone we're happier to see than a new friend — it's an old friend. Visit us soon.

We're open.

Look us over.

Discover the Great American Shoe Store. The store where you'll find the biggest selection of shoe styles for everyone in the family.

At Kinney Shoes you'll find Kinney's exclusive designer adaptations, shoes that represent line-for-line copies of designer originals. No one puts together style and value like Kinney.

Gifts for you.

Pick up a free handy shoe horn for yourself and free balloons for the kids just for coming in to say hello. You don't have to buy a thing.

Service, convenience and more

The best service available, including professionally trained salespeople who are experts at measuring and fitting.

We want you to be comfortable, satisfied, and happy with what you see and buy. We want to give you full value for your shoe dollars, with Kinney quality at reasonable prices.

That's why Kinney Shoes is called the Great American Shoe Store. And that's why we're here.

What a Grand Opening...

(Thursday, October 31, 1974)

Tall Fashions has arrived at St. Clair Square.

Tall Fashions, the stores designed exclusively for tall, brings this area's largest selection of exciting new styles to St. Clair Square.

If you're a tall, or nearly tall, junior to grandmother, Tall Fashions is the one shop that specializes in everything wearable.

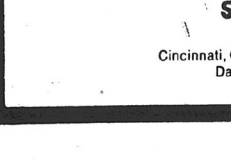

And the most beautiful thing about Tall Fashions is the fit... for tall sizes 8 to 22 and tall juniors sizes 7 to 17.

- See what's fabulous in fashion.
- Get on Tall Fashions' mailing list for private sales.

• Talk with sales people who understand how to fit you.

WIN A TALL FASHIONS GIFT CERTIFICATE

Tall Fashions' Grand Opening starts Thursday, October 31. Stop in and register for \$200 in gift certificates to be given away. Nothing to buy, no obligation. The drawing will be held November 16. You do not have to be present to win. All Major Credit Cards Welcome.
